

5 OVER 65 CELEBRATION & ANNUAL MEETING

2026 SPONSORSHIP OPPORTUNITIES

What is the 5 Over 65 Celebration (formerly '5 Over 50')?

The celebration focuses on honoring five older adults who are making significant and positive impacts in our region, reinforcing the message that age is not a barrier to active community engagement.

Showcasing these achievements is central to the event, but it is also a wonderful social gathering and opportunity for dining out, as well as a vital platform for dismantling negative stereotypes about aging.

The target audience is highly active and engaged older adults in all five counties of our region.

August 27, 2026

The 5 Over 65 Celebration honors one person over age 65 from each of our region's counties (Culpeper, Fauquier, Madison, Orange & Rappahannock). A feature film highlights the positive ways each honoree has made their community a better place.

This event aligns with Aging Together's annual meeting and will be a banquet celebration for all honorees at Fauquier Springs Country Club.

- Sponsor's own exhibit table at event
- Complimentary Table of 8 at event

ART OF AGING LIFESTYLE & WELLNESS EXPOS

2026 SPONSORSHIP OPPORTUNITIES

What are the Art of Aging & Lifestyle Expos?

The purpose of these Expos is to consolidate and showcase the extensive resources and services available to older adults throughout our five-county region, providing valuable opportunities that help them remain independent and age safely in their homes. Aging Together will host two Expos in 2026, and based on past attendance, we anticipate hundreds of attendees from across the region.

As the radio sponsor at the Platinum level, your organization will receive significant exposure. Your sponsorship will be heard across multiple counties for the two weeks leading up to the Culpeper Expo as we highlight your organization in the Expo announcements (e.g., "The Expo in partnership with [Recipient Organization Name]"). This offers a unique opportunity to gain broad visibility with our target audience.

Rappahannock Expo
September 2, 2026

AGING TOGETHER'S DEMENTIA EDUCATION INITIATIVE

2026 SPONSORSHIP OPPORTUNITIES

What is the Dementia Education Initiative?

Aging Together's Dementia Education Initiative is designed to support those living with dementia in our region.

Our key programs include:

- Dementia Friends: These one-hour virtual and in-person sessions educate individuals and the general public on what dementia is and how it may manifest in a person.
- Dementia Friendly Workplaces: This program expands knowledge about dementia in the workplace, enabling staff within an organization or business to be welcoming to a person living with dementia who visits their establishment.
- Annual Dementia Education Conference: This full-day event supports family and professional caregivers. The conference includes breakfast and lunch, and features an agenda of expert speakers focused on dementia.

Given the growth of the older adult population and the increasing number of individuals facing dementia, the audience for these educational and caregiver tools is wide.

Includes the Dementia Education Conference in FY2026/2027
Date TBD, possibly April 2027

Sponsorships help underwrite fees associated with the conference.

Higher level sponsors also include support of Dementia Friendly Region 9, and Dementia Friendly Workplaces.
