#### NOTICE

The accompanying financial statements and independent auditors' report are for the use of the management and the Board of Directors of Wyoming Rescue Mission, and for meeting local, state, and federal requirements and should not be used or relied upon by any other party for any purpose. Additional users of these financial statements and independent auditors' report are hereby advised that the liability of Grooms & Harkins, P.C. to third party users who use or rely on this information may be limited pursuant to 1995 Wyo. Sess. Laws, Chapter 155 creating Wyo. Stat. §33-3-201.

## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors Wyoming Rescue Mission Casper, Wyoming

#### **Opinion**

We have audited the accompanying financial statements of Wyoming Rescue Mission (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022 and 2021, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wyoming Rescue Mission as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wyoming Rescue Mission and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wyoming Rescue Mission's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Merriber A Crowe Global

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

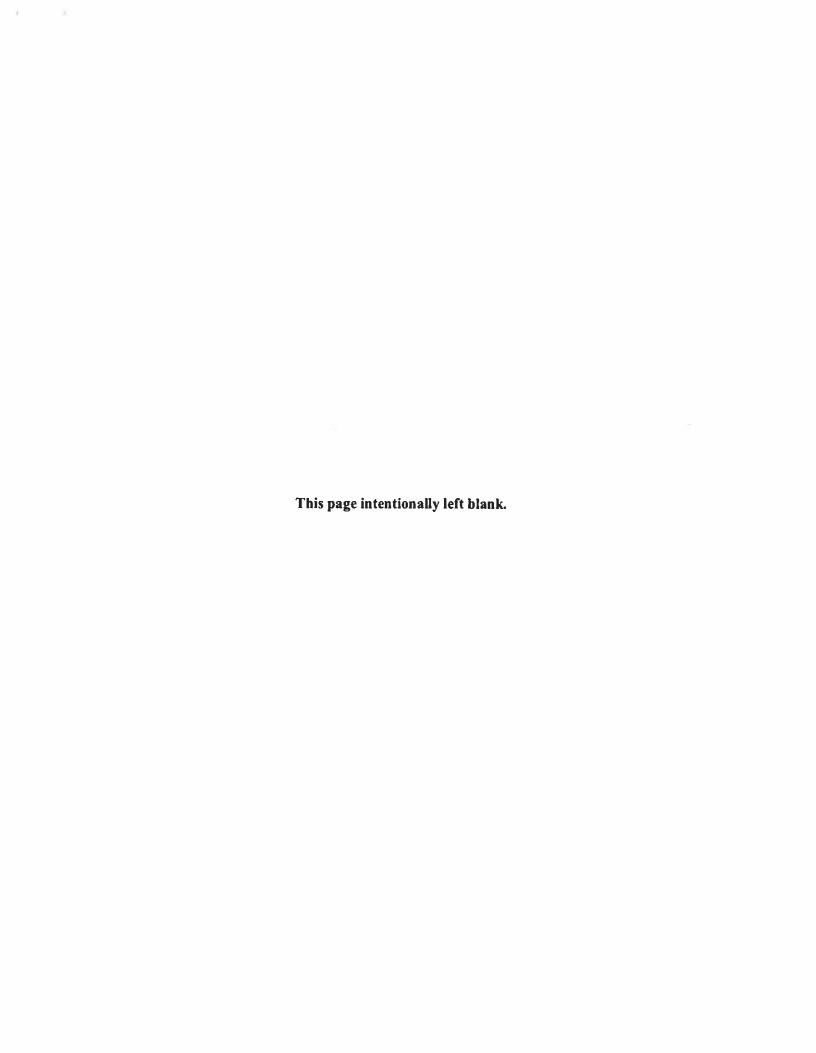

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
  of Wyoming Rescue Mission's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wyoming Rescue Mission's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### 1. Nature of activities and summary of significant accounting policies

This summary of significant accounting policies of Wyoming Rescue Mission (the Organization) is provided to assist in understanding the Organization's financial statements. The financial statements and notes are representations of the Organization's management, which is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

#### Nature of activity

Wyoming Rescue Mission is a non-denominational Christian ministry, nonprofit that provides shelter, food, clothing, and biblical guidance for men, women and children struggling with homelessness and drug and/or alcohol addiction. Services provided consist of providing a safe place to sleep, three wholesome meals per day, individualized case management, long term rehabilitation programs consisting of life skills training, job preparation, biblical counseling, and various other services for individuals desirous to make lasting changes in their lives. The Organization is governed by a board of directors and is supported by private contributions and grants. The Organization operates Rescued Treasures Thrift Store which provides vocational training to those guests of the Organization who are in the Discipleship program. Rescued Treasures also provides vouchers for the necessities of those in need in our community.

#### **Basis** of presentation

The Organization conforms to accounting principles generally accepted in the United States of America as applicable to not-for-profit entities, under the accrual basis of accounting. Revenues are recognized when earned and expenses are recorded when incurred. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the "Guide"). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

# 1. Nature of activities and summary of significant accounting policies - continued

# Measure of operations

The statements of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing activities. Non-operating activities are limited to resources that generate return from investments, endowment contributions, financing costs, and other activities considered to be of a more unusual or nonrecurring nature.

#### Revenue recognition

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, restricted net assets are reclassified to unrestricted net assets and reported in the statement of changes in net assets as net assets released from restrictions.

## Unconditional promises to give

The Organization receives contributions from private foundations, individuals, and other organizations. Most contributions are received from foundations within Wyoming. After receipt, the contributions are spent in accordance with the wishes of the donor. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions.

Contributions are recorded at their fair value at the earliest of the date of the donation or the unconditional promise to give. Unconditional promises to give are recorded as receivables at their net realizable value in the year the promise is made.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Functional expense allocation

The expenses incurred which relate directly to the three areas of service (program, management and general, development and capital campaign) are charged to those services. The remaining indirect expenses related to building operations are allocated to the services by the formula based on estimated square footage of the buildings used for services to the total square footage. Costs related to other activities are allocated based on an estimate of employee time spent on the program activities.

# 1. Nature of activities and summary of significant accounting policies - continued

#### Income tax status

The Organization is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the financial statements. The Organization has been classified as a public charity. Tax penalties and interest on other types of taxes, if any, would be classified as penalties in the financial statements. Generally, the prior three tax years remain subject to examination by tax jurisdictions.

#### Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. The Organization maintains its cash accounts in commercial banks. The amount on deposit at June 30, 2022 and 2021 exceeded the insurance limits of the Federal Deposit Insurance Corporation by \$1,892,531 and \$3,224,995, respectively.

#### **Advertising costs**

The Organization follows the policy of charging costs of advertising to expense as incurred. During the years ended June 30, 2022 and 2021, the Company recorded advertising expense amounting to \$184,310 and \$144,949 respectively.

#### Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their market values in the statement of financial position. The fair values of investments are based on quoted market prices. Unrealized gains and losses are included in the statement of activities.

The Organization adopted Financial Accounting Standards Board Codification No. 958-320-25, Fair Value Measurement for Investments. This standard establishes a framework for fair value measurement and disclosure. It requires that assets and liabilities carried at a fair value will be classified and disclosed in one of the following three categories:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

The Organization has valued its investments utilizing the Level 1 approach.

The investments portfolio is managed by Hilltop Bank. Securities are protected by the Securities Investor Protection Corporation up to \$500,000, including up to \$250,000 in cash.

### Accounts receivable

The amount carried as accounts receivable and grants receivable are mostly due from governmental agencies and are considered by management to be collectible. No allowance for doubtful accounts is considered necessary. The Organization performs periodic credit evaluations of the entity's financial condition and generally does not require collateral. Receivables are generally due within 30 days. For the year ended June 30, 2022 the Organization had no receivables that are 90 days past due.

# Property and equipment

Acquisitions of property and equipment are reflected at cost if purchased, or at estimated fair market value if donated. Depreciation of property and equipment is calculated using the straight-line basis. Buildings and improvements are depreciated over 10 to 40 years, vehicles over 5 years, and equipment is depreciated over 3 to 10 years. the Organization's capitalization policy is to capitalize property and equipment additions of \$5,000 or more with an expected useful life greater than one year.

#### <u>Inventories</u>

The inventory of the Organization consists of food on hand at the Organization. Inventory is valued at the estimated lower of cost (first-in, first-out method) or market. Due to the inability of valuing donated thrift store items until sold, no inventory value is presented on the financial statements for these items.

#### Contributions

Contributions, including unconditional promise to give, are recorded when received. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

#### **Donated materials**

Donated materials are reflected as contributions at their estimated values. The values of these items are presented both as support and expenses in the financial statements under in-kind contributions and in-kind expenses.

#### **Pledges**

The Organization has received pledges for the capital campaign project. The Organization only records pledges receivable when signed and all of the conditions of the pledge have been met. At June 30, 2022 the net pledges receivable is \$94,161.
