

MLS Glossary Post RESO Data Dictionary 2.0 Conversion

The MLS Glossary is a tool designed to allow for consistency and accuracy of data within the MLS. The information presented is in the order of the input fields within each property input sheet.

Field and lookup definitions appended with a red **R** are direct quotations from the [Real Estate Standards Organization's Data Dictionary Version 2.0](#).

The mention of ANSI Standards for Calculating Square-Footage is from the [Z765 Document by Home Innovation Research Labs](#).

Format for glossary terms are as follows: **[Field Name]** – [Definition] **R** (where applicable).

Most definitions have been added as helptext in Flexmls for ease of reference. Look for the “?” symbol next to the field or lookup option.

Listing Information

Property Type – Residential (cannot change after selected in previous screen).

Comp Sale YN – Indicates whether or not this sale was entered for comparative purposes. R

Property Sub Type – Three options for Residential

- Single Family Residence: A stand-alone, detached residential building used as a single-dwelling unit with no shared walls and its own lot or land with no shared utilities with another dwelling unit. R
- Townhouse: A dwelling unit generally having two or more floors and attached to other similar units via party walls. R
- Condominium: A unit within a structure where ownership is on a unit-by-unit basis. R

Listing Member – The MLS participant or subscriber who has entered into a listing agreement with the seller and is responsible for entering and maintaining the property listing in the MLS.

Co-listing Member – An additional MLS participant or subscriber who shares responsibility with the Listing Member for representing the seller and managing the property listing in the MLS.

Google Address Search

Start typing the address for the property you are listing.

This is a Google-based address search and will start showing addresses based on your search entry and location.

When you see your desired address appear in the dropdown results, click to select it.

Selecting the address in this search bar will automatically fill the address fields below. Be sure to validate the address fields as well.

Otherwise, use the address-related fields below to enter the listing's address.

Address

Street Number – The house/building number assigned by the local taxing or planning authority or U.S. Postal Service. **Lot specifiers go in this field.**

Street Direction Prefix – The direction of the street included in the address. i.e. N, E, S, W.

Street Name – The street name assigned by the local taxing or planning authority or U.S Postal Service. No punctuation. The Street Suffix (Street, Road, Way, etc.) does NOT go in this field.

Street Suffix – The part of a street or road name that describes what type of street it is. i.e. street, avenue, lane, drive, circle, court, etc.

Unit Number – The unit or apartment number, if applicable.

Street Suffix Modifier – A word or phrase in an address that modifies the Street Name. For example, in "*West End Avenue Extension*", the modifier is "*Extension*".

County – The county where the property exists.

City – The name of the city the listing is located in.

State – The name of the state that the listing is located in.

Zip Code – The postal code portion of a street or mailing address. **R** Use the Zip Code assigned by the U.S. Postal Service.

Zip + 4 – The postal code +4 portion of a street or mailing address. **R**

MLS Area Major – The major marketing area name, as defined by the MLS. **R** ImagineMLS has four unique areas for Fayette County and five unique areas for Pulaski county.

Property Location

Click Map This Location then confirm the pin's location, move it as necessary, and select Use This Location. You may be prompted to use an alternate address that maps more easily.

Tax & Legal

Subdivision Name – A neighborhood, community, complex or builder tract. **R**

Construction - Property Condition – A list describing the condition of the property and any structures included in the sale. **R** For ImagineMLS, this includes a list of construction statuses.

- To Be Built: No Construction has started. Permits may be obtained, but no physical work has begun.
- New Construction: Any state of active construction, from site preparation (e.g., dirt turned, footers poured) to nearing completion but not yet occupied.

Parcel Number – A number used to uniquely identify a parcel or lot. This number is typically issued by the county or county assessor. The AP number format varies from county to county. **R**

Tax Rate – The percentage of which the property is worth that must be paid in taxes (typically per hundred dollars or per thousand dollars).

Tax District – The area within the county in which all of the taxable property is subject to property taxes at the same consolidated property tax rate.

High School District – The name of the school district the property is zoned in.

Elementary School – The name of the elementary school the property is zoned in.

Middle Or Junior School – The name of the middle school the property is zoned in.

High School – The name of the high school the property is zoned in.

Inside New Circle Road YN – Is the property located within New Circle Road? (also known as Kentucky Route 4).

Design Review District YN – A design review district is a specifically designated geographic area within a community where proposed development and alterations to existing structures undergo a formal review process to ensure they adhere to established design standards and guidelines.

Contract

Office Exclusive YN – Is this listing currently an Office Exclusive? From the [National Association of REALTORS](#), an Office Exclusive listing *“Is an exempt listing where the seller has directed that their property not be disseminated through the MLS and not be publicly marketed. The office exclusive listing shall be filed with the MLS but not disseminated to other MLS*

Participants and Subscribers.” Note that Office Exclusive listings will only show on the MLS to users from your office and will not be distributed out to third-party sites.

Status – The status of the listing as it reflects the state of the contract between the listing agent and seller or an agreement with a buyer. R

- **Active** - A completed exclusive listing agreement has been received, and the property is now open for viewing.
- **Coming Soon** - A completed exclusive listing agreement has been received, but the seller(s) have provided written instructions stating that the property cannot be shown at the moment. This time period can be up to 14 days in ImagineMLS.

Listing Contract Date – The effective date of the agreement between the seller and the seller's broker. This is the date entered by the agent reflecting when the change occurred contractually, not a timestamp of when the change was made in the MLS. R

Expiration Date – The date when the listing agreement will expire. This is the date entered by the agent reflecting when the change contractually occurred or will occur, not a timestamp of when the change was made in the MLS. R

List Price – The current price of the property as determined by the seller and the seller's broker. For auctions, this is the minimum or reserve price. R

Listing Agreement – The nature of the agreement between the seller and the listing agent (e.g., Exclusive Agency, Open Listing). R

- **Exclusive Agency:** A contract giving one brokerage firm, for a specified time, the right to sell/lease the property and also allowing the owner, acting alone, to sell/lease the property without paying commission. R
- **Exclusive Right To Sell:** A contract giving the broker the right to collect commission if the property is sold by anyone, including the owner, during the term of the agreement. R

Listing Terms – Terms of the listing such as Lien Release, Subject to Court Approval or Owner Will Carry. Also may include options that describe the financing terms that are acceptable to the seller (i.e., Cash, Assumable, FHA, etc.). R

- **Lease Option:** The seller may be interested in selling as a lease option to the buyer. R
- **Owner Will Carry:** The seller will carry the mortgage note. R
- **Relocation Property:** The property for sale is a relocation property. R

Remarks

Public Remarks – Text remarks that may be displayed to the public. In an MLS, it is the field where information is entered for the public. This information is intended to be visible online. This is typically information that describes the selling points of the building and/or land for sale. Local conditions and rules will determine what such content can contain. Generally, any information pertaining to entry to the property, the seller and/or tenant, or listing member contact information is excluded. **R** Any reference to an individual or company is not allowed, the only exception being auctions.

Private Remarks – Remarks that may contain security or proprietary information and should be restricted from public view. **R**

Directions – Driving directions to the property. **R GPS, Use Maps, or other similar terms are not allowed. This should describe how to get to the property from main streets or highways.**

Office Remarks – A Remarks field that is only visible to members of the same offices as the listing agent. **R**

Rooms

The required rooms for residential listings are **Primary Bedroom** and **Kitchen**. The level of the room is also required.

Property Type – Residential Lease (cannot change after selected in previous screen).

Comp Sale YN – Indicates whether or not this sale was entered for comparative purposes. R

Property Sub Type – Three options for Residential Lease

- Apartment: A unit within a wholly owned structure of five or more units. This may not be used for Residential or Residential Income. R
- Condominium: A unit within a structure where ownership is on a unit-by-unit basis. R
- Single Family Residence: A stand-alone, detached residential building used as a single-dwelling unit with no shared walls and its own lot or land with no shared utilities with another dwelling unit. R
- Townhouse: A dwelling unit generally having two or more floors and attached to other similar units via party walls. R

Listing Member – The MLS participant or subscriber who has entered into a listing agreement with the seller and is responsible for entering and maintaining the property listing in the MLS.

Co-listing Member – An additional MLS participant or subscriber who shares responsibility with the Listing Member for representing the seller and managing the property listing in the MLS.

Google Address Search

Start typing the address for the property you are listing.

This is a Google-based address search and will start showing addresses based on your search entry and location.

When you see your desired address appear in the dropdown results, click to select it.

Selecting the address in this search bar will automatically fill the address fields below. Be sure to validate the address fields as well.

Otherwise, use the address-related fields below to enter the listing's address.

Address

Street Number – The house/building number assigned by the local taxing or planning authority or U.S. Postal Service. **Lot specifiers go in this field.**

Street Direction Prefix – The direction of the street included in the address. i.e. N, E, S, W.

Street Name – The street name assigned by the local taxing or planning authority or U.S. Postal Service. No punctuation. The Street Suffix (Street, Road, Way, etc.) does NOT go in this field.

Street Suffix – The part of a street or road name that describes what type of street it is. i.e. street, avenue, lane, drive, circle, court, etc.

Unit Number – The unit or apartment number, if applicable.

Street Suffix Modifier – A word or phrase in an address that modifies the Street Name. For example, in "*West End Avenue Extension*", the modifier is "*Extension*".

County – The county where the property exists.

City – The name of the city the listing is located in.

State – The name of the state that the listing is located in.

Zip Code – The postal code portion of a street or mailing address. **R** Use the Zip Code assigned by the U.S. Postal Service.

Remarks

Public Remarks – Text remarks that may be displayed to the public. In an MLS, it is the field where information is entered for the public. This information is intended to be visible online. This

is typically information that describes the selling points of the building and/or land for sale. Local conditions and rules will determine what such content can contain. Generally, any information pertaining to entry to the property, the seller and/or tenant, or listing member contact information is excluded. **R** Any reference to an individual or company is not allowed, the only exception being auctions.

Private Remarks – Remarks that may contain security or proprietary information and should be restricted from public view. **R**

Directions – Driving directions to the property. **R** **GPS, Use Maps, or other similar terms are not allowed. This should describe how to get to the property from main streets or highways.**

Office Remarks – A Remarks field that is only visible to members of the same offices as the listing agent. **R**

Land Input Sheet

Listing Information

Property Type – Land (cannot change after selected in previous screen).

Comp Sale YN – Indicates whether or not this sale was entered for comparative purposes. **R**

Property Sub Type – Three options for Land

- Agriculture: The property is for farming and agricultural activities. **R**
- Farm: A place where agricultural and similar activities take place, especially the growing of crops. **R**
- Unimproved Land: Commercial land that has not been built upon or improved. **R**

Listing Member – The MLS participant or subscriber who has entered into a listing agreement with the seller and is responsible for entering and maintaining the property listing in the MLS.

Co-listing Member – An additional MLS participant or subscriber who shares responsibility with the Listing Member for representing the seller and managing the property listing in the MLS.

Google Address Search

Start typing the address for the property you are listing.

This is a Google-based address search and will start showing addresses based on your search entry and location.

When you see your desired address appear in the dropdown results, click to select it.

Selecting the address in this search bar will automatically fill the address fields below. Be sure to validate the address fields as well.

Otherwise, use the address-related fields below to enter the listing's address.

Address

Street Number – The house/building number assigned by the local taxing or planning authority or U.S. Postal Service. **Lot specifiers go in this field.**

Street Direction Prefix – The direction of the street included in the address. i.e. N, E, S, W.

Street Name – The street name assigned by the local taxing or planning authority or U.S Postal Service. No punctuation. The Street Suffix (Street, Road, Way, etc.) does NOT go in this field.

Street Suffix – The part of a street or road name that describes what type of street it is. i.e. street, avenue, lane, drive, circle, court, etc.

Unit Number – The unit or apartment number, if applicable.

Street Suffix Modifier – A word or phrase in an address that modifies the Street Name. For example, in "*West End Avenue Extension*", the modifier is "*Extension*".

County – The county where the property exists.

City – The name of the city the listing is located in.

State – The name of the state that the listing is located in.

Zip Code – The postal code portion of a street or mailing address. **R** Use the Zip Code assigned by the U.S. Postal Service.

Zip + 4 – The postal code +4 portion of a street or mailing address. **R**

MLS Area Major – The major marketing area name, as defined by the MLS. **R** ImagineMLS has four unique areas for Fayette County and five unique areas for Pulaski county.

Property Location

Click Map This Location then confirm the pin's location, move it as necessary, and select Use This Location. You may be prompted to use an alternate address that maps more easily.

Tax & Legal

Subdivision Name – A neighborhood, community, complex or builder tract. **R**

Parcel Number – A number used to uniquely identify a parcel or lot. This number is typically issued by the county or county assessor. The AP number format varies from county to county. **R**

Additional Parcels YN – Indicates whether or not more than one parcel or lot is included in the sale. **R**

Zoning – A division of the city or county into areas of different permissible land uses. **R**

Zoning Description – A list of descriptions of the zoning of the property. The zoning codes are often nondescriptive and variant. This provides a more descriptive form of the zoning for the property (e.g., Agricultural, Residential, Rezone Possible). Specific zone codes must be added to the Zoning field. **R**

Owner Name – Name of the owner of the property being sold. **R**

Owner Phone – Phone number that the owner can be reached at. Should be in a ten digit format separated by hyphens (###-###-####).

Deed Restrictions YN – An indicator of if there are deed restrictions included in the purchase of the property. Deed restrictions are rules that govern how a property or land may be used, typically established and enforced by a homeowners association (HOA).

Easements YN – An indicator of if there are easements included in the purchase of the property. An easement is a legal right that allows someone to use a portion of another person's property, even though they do not own it.

Conservation Easement YN – Does the property have a conservation easement? A conservation easement is an interest in real property established by agreement between a landowner and land trust or unit of government.

Contract

Office Exclusive YN – Is this listing currently an Office Exclusive? From the [National Association of REALTORS](#), an Office Exclusive listing *"Is an exempt listing where the seller has directed that their property not be disseminated through the MLS and not be publicly marketed. The office exclusive listing shall be filed with the MLS but not disseminated to other MLS Participants and Subscribers."* **Note that Office Exclusive listings will only show on the MLS to users from your office and will not be distributed out to third-party sites.**

Status – The status of the listing as it reflects the state of the contract between the listing agent and seller or an agreement with a buyer. **R**

- **Active** - A completed exclusive listing agreement has been received, and the property is now open for viewing.
- **Coming Soon** - A completed exclusive listing agreement has been received, but the seller(s) have provided written instructions stating that the property cannot be shown at the moment. This time period can be up to 14 days in ImagineMLS.

Listing Contract Date – The effective date of the agreement between the seller and the seller's broker. This is the date entered by the agent reflecting when the change occurred contractually, not a timestamp of when the change was made in the MLS. **R**

Expiration Date – The date when the listing agreement will expire. This is the date entered by the agent reflecting when the change contractually occurred or will occur, not a timestamp of when the change was made in the MLS. R

List Price – The current price of the property as determined by the seller and the seller's broker. For auctions, this is the minimum or reserve price. R

Listing Agreement – The nature of the agreement between the seller and the listing agent (e.g., Exclusive Agency, Open Listing). R

- Exclusive Agency: A contract giving one brokerage firm, for a specified time, the right to sell/lease the property and also allowing the owner, acting alone, to sell/lease the property without paying commission. R
- Exclusive Right to Lease: A contract giving the broker the right to collect commission if the property is leased by anyone, including the owner, during the term of the agreement. R
- Exclusive Right To Sell: A contract giving the broker the right to collect commission if the property is sold by anyone, including the owner, during the term of the agreement. R

Listing Terms – Terms of the listing such as Lien Release, Subject to Court Approval or Owner Will Carry. Also may include options that describe the financing terms that are acceptable to the seller (i.e., Cash, Assumable, FHA, etc.). R

- 1031 Exchange: The seller may be interested in a 1031 exchange as part of the sale. R
- Cash: The seller would like a cash sale. R
- Conventional: The seller may accept a buyer using conventional financing to purchase the home. R
- Lease Option: The seller may be interested in selling as a lease option to the buyer. R

Special Listing Conditions – A list of options that describe the type of sale (e.g., Standard, REO, Short Sale, Probate, Auction, NOD) at the time of listing. R

- Auction
- Standard
