## **OUTER BURIAL CONTAINER PRICE LIST**

*These prices are effective as of January 15, 2026, and are subject to change without notice.*

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
