Do you have a passion for positively impacting people's lives? Are you empathetic and skilled in delivering outstanding care and companionship?

Our committed team of care assistants recognises how vital it is to preserve independence and dignity while receiving support. That's why we personalise our services to suit each individual's unique needs and preferences. From help with daily routines and personal care to offering companionship, we deliver thorough domiciliary care designed to enhance well-being and improve quality of life.

We are looking for hard-working, enthusiastic, and compassionate Care assistants for our client's fabulous care home

Entry requirements of this job:

1. There are no formal academic entry requirements. Off- and on-the-job training is provided.
2. You don't need any healthcare experience to join us as a Healthcare Support Worker.
3. Care-based experience is preferable but not essential as full training will be provided.
4. Hold a current or willing to undertake a Disclosure & Barring Service (DBS) check

Tasks required by this job include:

1. Performs basic clinical tasks such as taking patients, temperature and pulse, weighing and measuring, performing urine tests and extracting blood samples.
2. Prepares patient for examination and treatment
3. Distributes and serves food to patients
4. Assists patients in feeding and prepares snacks and hot drinks as the need may require
5. Assists patients in washing, dressing, toiletry activities and general mobility; changes bed linen, makes beds and tidies wards.
6. Utilising equipment to move patients when necessary
7. Helping tidy the patient's home or room

8. Talking to patients and reassuring them
9. Attending meetings with other healthcare professionals
10. Assisting nurses and other staff when needed
11. Adhering to professional standards
12. Delivering reports to Case Managers and reviewing any important changes in the patient's condition
13. To ensure that you contribute, to the best of your ability, to the efficient running of the home and the creation of an atmosphere conducive to the best interests of the residents.

Required Skill:

1. Natural ability to put people at ease
2. Pride in doing a job well
3. Empathy and showing concern for end clients and colleagues
4. Good Communication skills
5. A compassionate and caring personality
6. The patience and understanding to help individuals.

Benefits:

1. Ongoing training provided for personal development and support
2. Day or Night Care Assistant shifts available
