

Broil King®

2023 GRILLING CATALOGUE

Our Passion Lies Within Our People

Our dedication to build the very best in quality performance grills reflects the exceptional team behind the brand. Our story begins in 1906, with a vision of quality and desire for excellence. With a focus on the grilling industry for the past 35 years, Broil King® stands for performance, durability and creating great grilling experiences for our customers.

Our passion has always been to build lasting relationships with our customers by providing quality products backed with great service.

With manufacturing facilities in Huntington Indiana, Dickson Tennessee, and Waterloo Ontario, we are able to design, manufacture and distribute North American-made grills in over 50 countries.

We are a family that loves to grill and it shows in every barbecue we build here in North America.

Our vision is plain and simple: **Great Barbecues Every Time.**

As Broil King® continues to be a family-owned and operated company, we hope that you are as proud to own a Broil King® as we are to make them.

Designed and Engineered for Great Barbecue Flavour

Every Broil King® gas grill is built for unparalleled cooking versatility and creativity. The ultimate grilling experience. Broil King's Performance Grilling Technology (PGT) gives you the ability to cook almost anything on your grill in any style you desire. You can sear steaks to perfection, rotisserie-cook poultry or roasts, and even bake elaborate desserts. Every part of the cooking system is designed and engineered for a specific purpose: to deliver great barbecue flavour. When combined, the results are simply spectacular. There's no mistaking the great flavour you get with Broil King®.

WHY BROIL KING?

Watch our Flavour story video to find out why our barbecues are Made For Flavour!

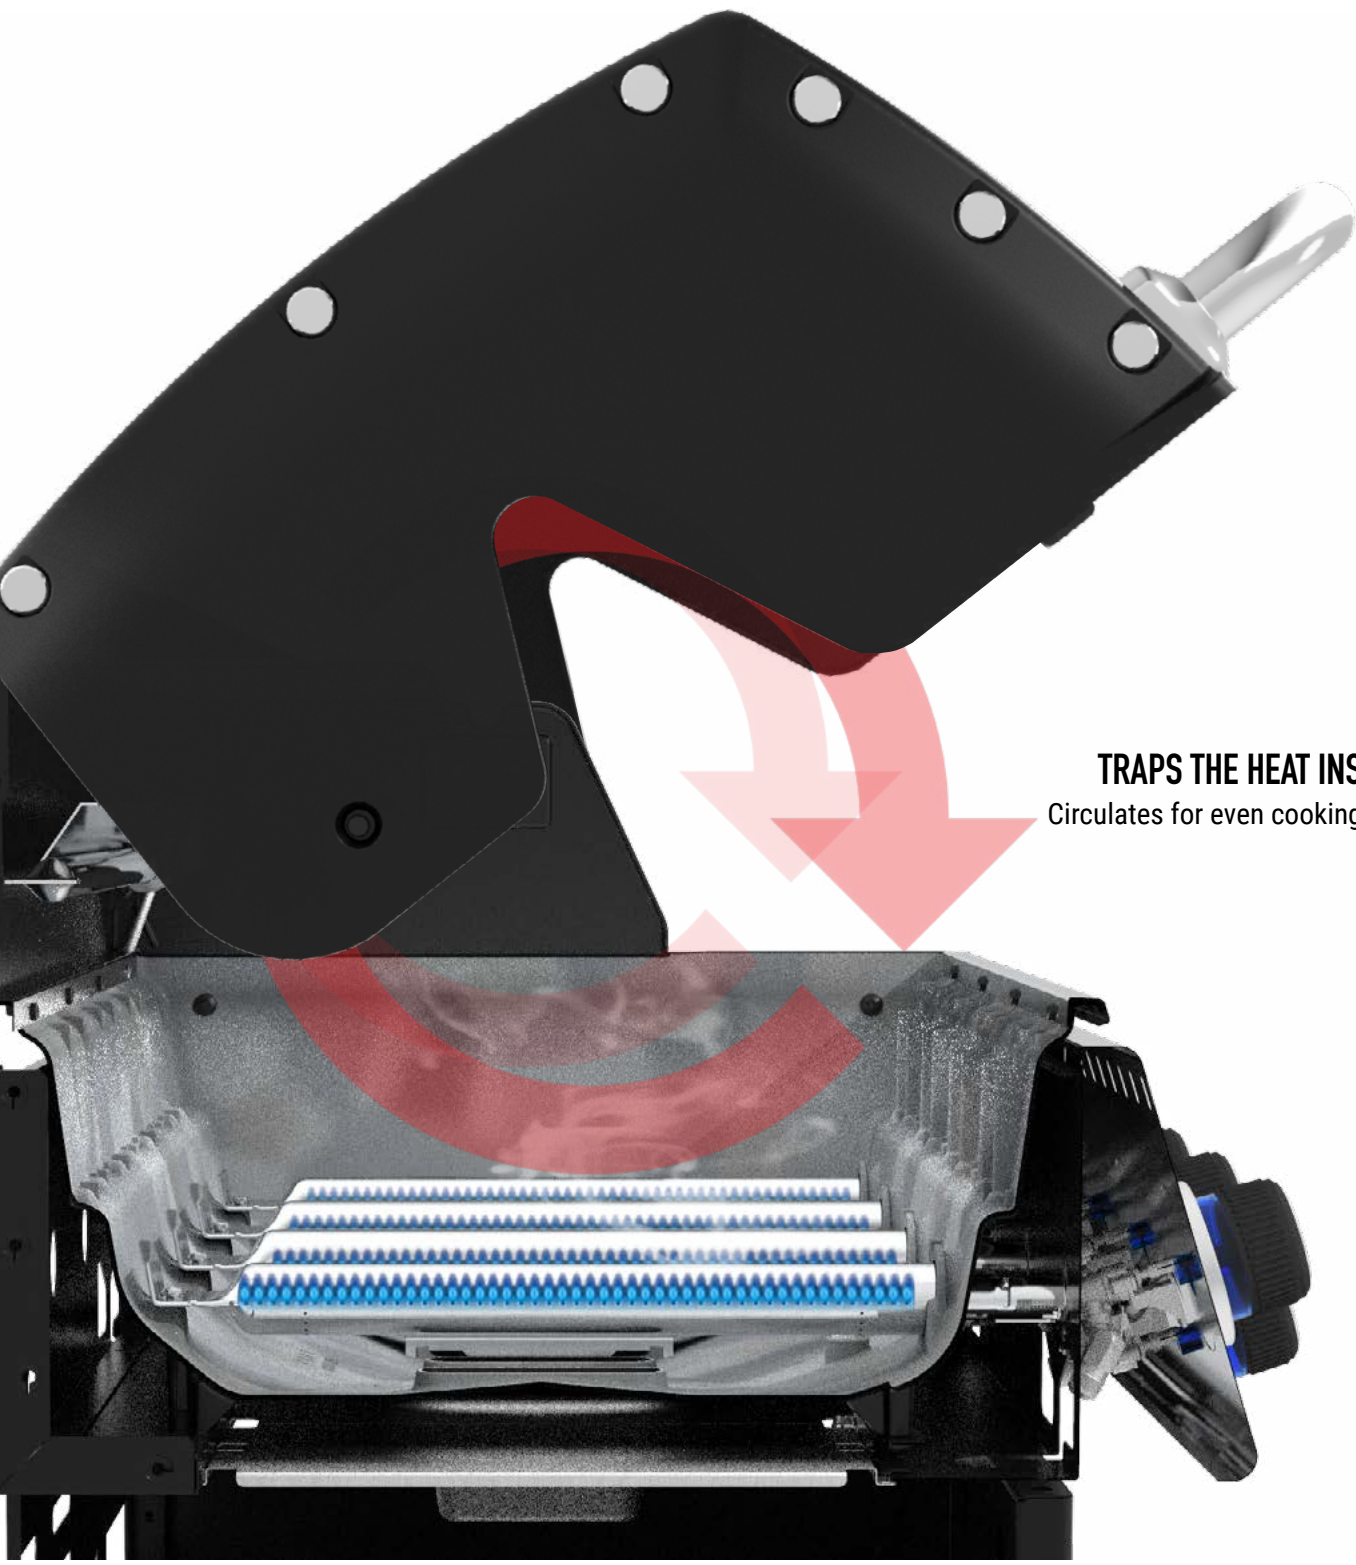

Broil King

180°

Thick and Durable Cookbox for Amazing Heat Retention

Made from die-cast aluminium and high-grade stainless steel, these durable cookboxes provide excellent heat retention and long lasting durability. The cookbox is designed to ensure even heat and heat retention for precise control.

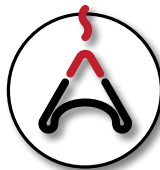

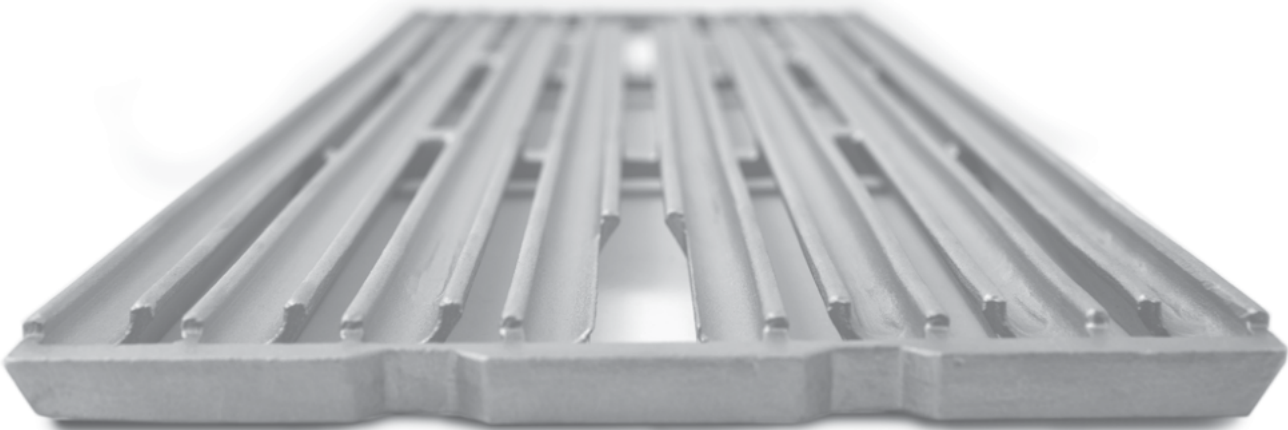

TRAPS THE HEAT INSIDE
Circulates for even cooking results.

Ultra-Premium Cast Stainless Steel Cooking Grids

You get the convenience of rust-resistant stainless steel with our renowned cast iron design. Standard on the Imperial™ series, meet the ultimate cooking grids that deliver excellent heat retention and exceptional searing power to lock in juices and flavour. These heavy Flav-R-Cast™ stainless grids have two sides: one side is pointed for those perfect steakhouse sear marks, while the other side has grooves for continuous basting.

POINTED SIDE

**ONLY AVAILABLE ON THE ALL-NEW
BARON™ AND CROWN™ SERIES**

The Flav-R-Wave™ Cooking System Infuses Great Flavour into Your Food

The stainless steel Flav-R-Wave™ cooking system provides superior heat distribution across the entire surface of the grill while protecting the burners. Drippings that fall onto the Flav-R-Wave™ are instantly vaporized. Vapour created through this process infuses into your food for unmistakable barbecue flavour.

GREAT BARBECUE FLAVOUR
Vaporized juices infuse into your food

EVEN HEAT DISTRIBUTION
Covers the entire cookbox area

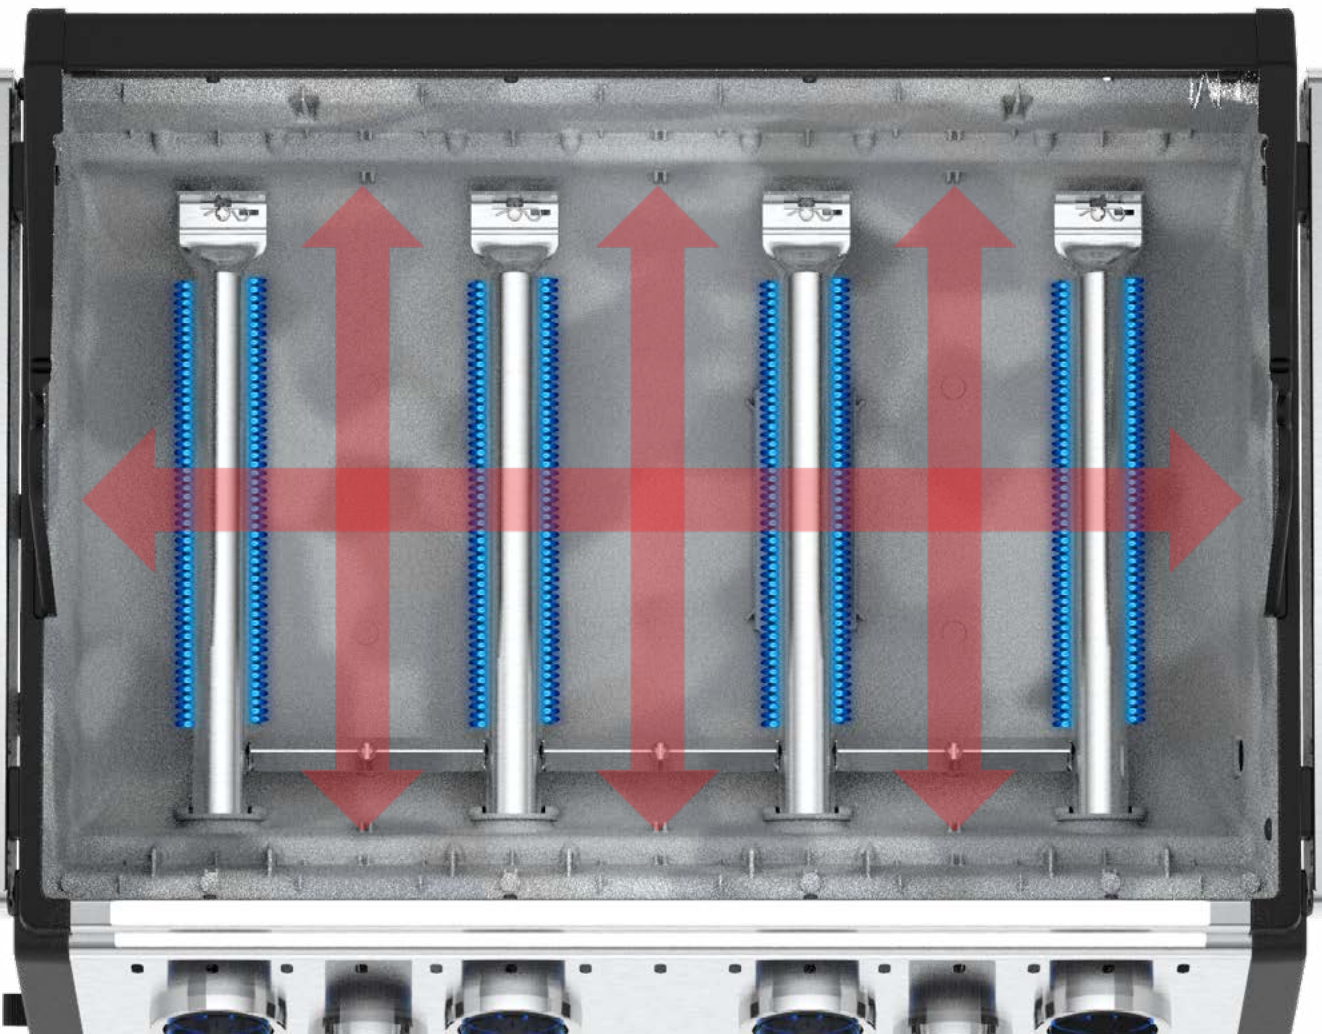

Patented Dual-Tube™ Burners Means Twice the Flame for Twice the Performance

Broil King's patented Dual-Tube™ burners are made from high quality, heavy-duty stainless steel. These large diameter, tube-in-tube side-ported burners provide even heat distribution (front to back and side to side) with two rows of flame per burner.

2 ROWS OF FLAME PER BURNER

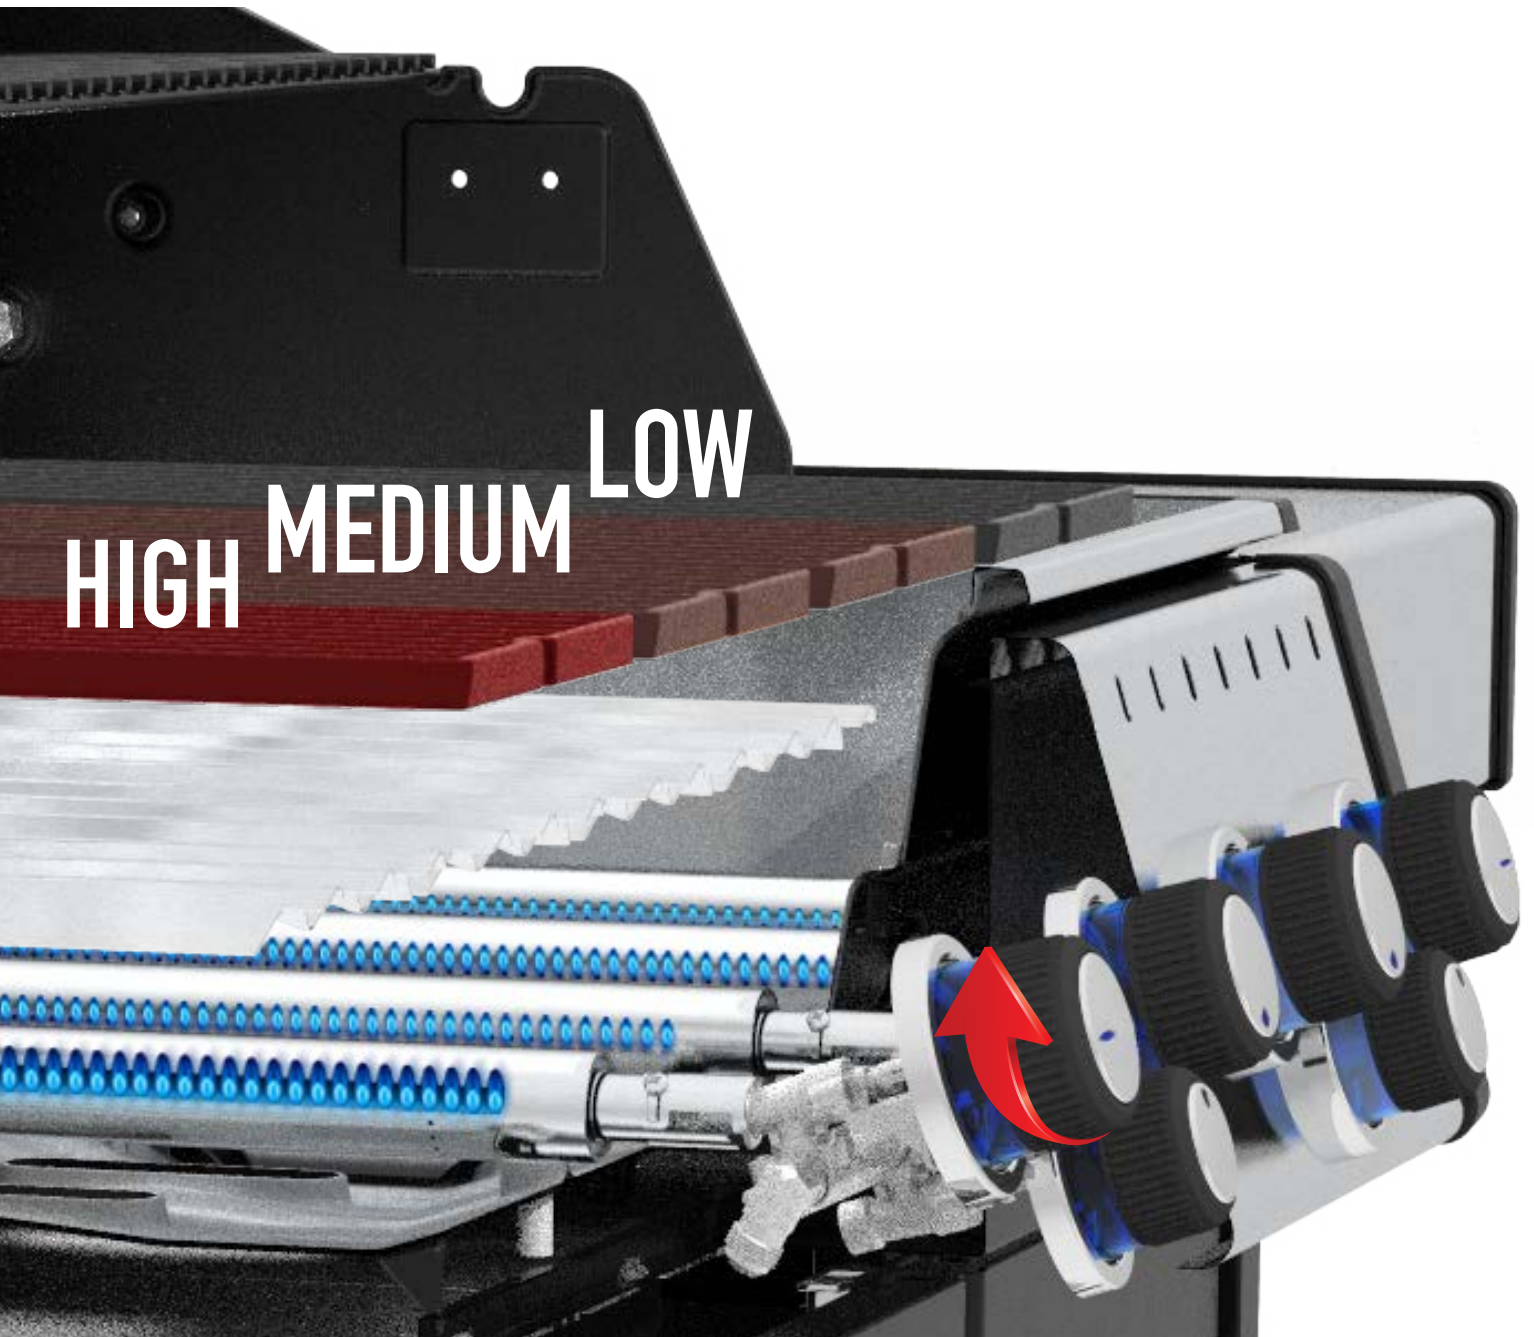

Even heat ~ front to back and side to side

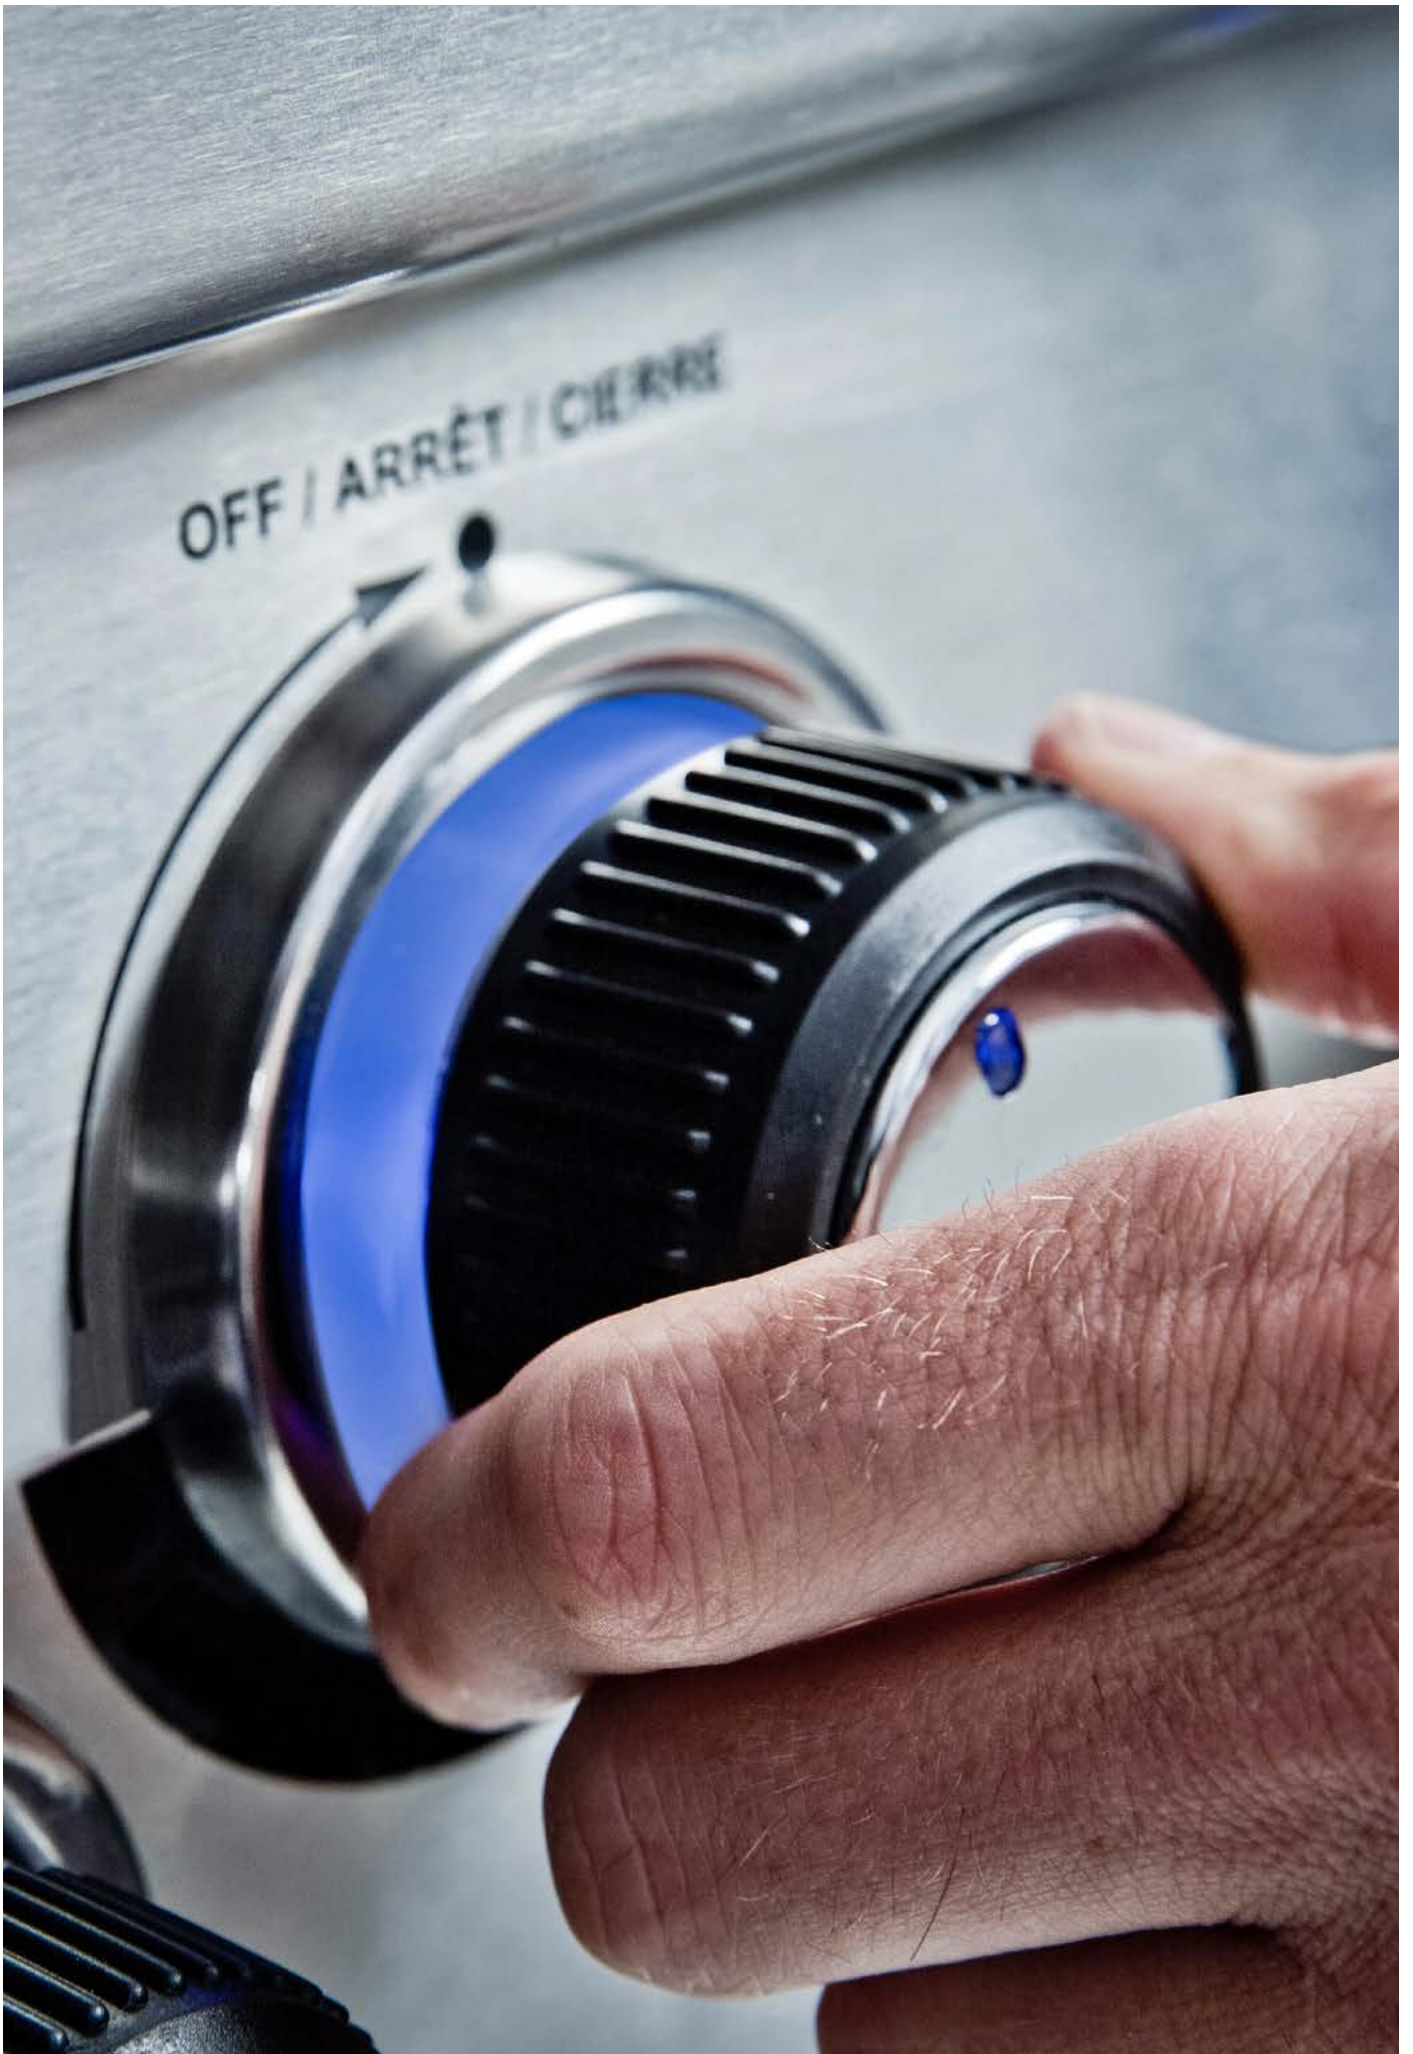

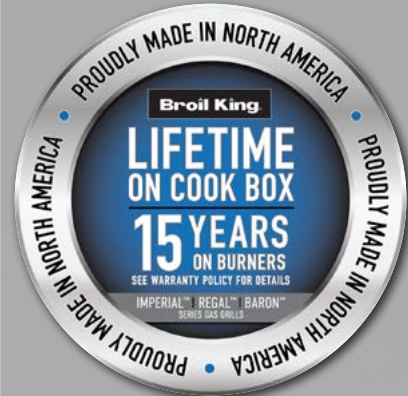

180 Degrees of Temperature Control for Perfect Grilling Results

Linear-Flow™ valves with 180 degree control knobs give you infinite heat control allowing you to set your grill to the perfect temperature for searing, roasting, or slow cooking.

BUILT-IN SERIES

Finally a smarter choice for grilling centres. Broil King® gives you a new level of flexibility with the unique modular pod system. Broil King's Built-In series is a match of performance and luxury designed for the professional outdoor chef. These premium grills come equipped with stand out features like commercial-grade cast stainless steel cooking grids, a double-wall stainless steel cook box and patented stainless steel Dual-Tube™ burners. Crafted with durable North American 304 grade stainless steel, the exterior is inspired by professional cooking appliances. Light up the night with back-lit control knobs and oven lights to instantly create the perfect ambiance at your next get-together.

Smoke More | Better Fuel for Better Flavour

63930 Smoke Master's Blend

A blend of maple, hickory and cherry
 Adds a well-balanced smoke flavour to grilled foods
 100% natural with no fillers, binders or additives
 9.07 kg bag with zipper seal

63939 Griller's Select Blend

A blend of maple, oak and cherry
 A great choice as an everyday grilling pellet
 100% natural with no fillers, binders or additives
 9.07 kg bag with zipper seal

63920 Hickory

Hickory offers a strong smoke taste
 Often associated with bacon or smoked ham
 100% natural with no fillers, binders or additives
 9.07 kg bag with zipper seal

The perfect barbecue starts with the right kind of fuel.

Broil King's Premium Grilling Pellets are specifically designed to work with the Broil King® Pellet series grills.

100% NATURAL

NO ADDITIVES

Smoke Master's Blend Maple | Hickory | Cherry

A selection of pellets popular with competition BBQ champions. This blend offers hints of sweetness combined with a full bodied hickory smoke. Adds a well-balanced smoke taste to grilled foods. Try with beef, poultry and pork.

Griller's Select Blend Maple | Oak | Cherry

This pellet blend offers a lighter and slightly sweet smoke, designed to not over-power natural flavours. A great choice as an everyday grilling pellet. Try with beef, poultry, pork, fish, vegetables and pizza.

Pellet More | Better Fuel for Better Flavour

63923 Apple Blend

A blend of apple and oak

Adds a sweet smoke flavour to grilled foods

100% natural with no fillers, binders or additives

9.07 kg bag with zipper seal

63921 Mesquite Blend

A blend of mesquite and oak

Adds a traditional South-West smoke flavour

100% natural with no fillers, binders or additives

9.07 kg bag with zipper seal

63946 Pellet Scoop

Stainless steel, resin handle

Graduated scoop base

Integrated sifter removes dust

35.5 cm x 12.2 cm

Hickory Hickory

The most iconic BBQ flavour. Hickory offers a strong smoke taste, often associated with bacon or smoked ham. This robust smoke works well with large cuts of meats. Try with beef, poultry, pork and hearty vegetables.

Mesquite Blend Mesquite | Oak

Experience southern smoke house aroma with spicy and tangy undertones. Mesquite pellets add exceptional flavour to whatever you throw on your grill. Try with beef, wild game, lamb and pork.

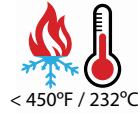

Apple Blend Apple | Oak

A selection of pellets popular with competition BBQ champions. This blend offers hints of sweetness combined with a full bodied hickory smoke. Adds a well-balanced smoke taste to grilled foods. Try with beef, poultry and pork.

CEDAR PLANK SALMON

PREP
TIME

10 MINS

GRILLING
TIME

40 MINS

GRILLING
METHOD

INDIRECT

SERVES

4

The flavour of fresh herbs and pine nuts is the perfect compliment for salmon. This one will **WOW** your guests.

INGREDIENTS

700 g salmon fillet, skin on
100 g fresh dill
100 g fresh parsley
3 sprigs of thyme
1 zest of a lime
4 tbsp olive oil
2 tbsp pine nuts, raw chopped
1 tsp salt
1/4 tsp brown sugar
Fresh ground pepper to taste

DIRECTIONS

Soak your cedar plank (63280) thoroughly for several hours, it will prolong the burn time by several critical minutes when grilling.

Preheat your Broil King® Keg or gas grill between 350°F (180°C) and 400°F (200°C).

Remove your cedar plank from water and pat dry. Rub with oil thoroughly on the top then place the salmon on the oiled side.

Sprinkle on sugar, salt, black pepper, pine nuts and lime zest.

Drizzle with olive oil then rub thoroughly.

Dice herbs and blanket the salmon fillet.

Grill directly for 30-40 minutes or until the ribbons of fat start to melt and run. Less time delivers a more butter salmon while more time makes it flaky.

Remove and gently scrape away the herbs.

Serve and Enjoy!

PULLED JACKFRUIT SANDWICH

PREP TIME	GRILLING TIME
15 MINS	60 MINS
GRILLING METHOD	SERVES
INDIRECT	2-4

INGREDIENTS

2 cans young jackfruit
250 g enoki mushrooms
12 burger slider buns

1 head iceberg lettuce
3 Roma tomato
BBQ Spice Rub

Your favourite BBQ sauce
Olive oil

DIRECTIONS

Toss the young jackfruit and enoki mushrooms in your BBQ Spice rub until thoroughly coated.

Place in a roasting pan and smoke at 350°F (177°C) for about 1 hour.

Pull apart young jackfruit using Broil King Meat Claws (64070) before mixing in BBQ sauce.

Continue to smoke for another 15-20 minutes until sauce begins to caramelize.

Serve on a toasted bun with lettuce and tomato.

PERFECT PELLET GRILL STEAK

Fire up your Broil King Pellet grill for this quick easy and delicious steak recipe. Mouth-watering steak, the centrepiece, the star of the show, a restaurant and family favourite.

PREP TIME	GRILLING TIME
5 MINS	8 MINS
GRILLING METHOD	SERVES
DIRECT	4

INGREDIENTS

4 steaks (2.5 cm) thick
2 cloves garlic minced
2 tbsps Worcestershire sauce

2 tbsp balsamic vinegar
2 tsp Dijon mustard
2 tsp soy sauce

2 tbsps olive oil
Freshly ground pepper

DIRECTIONS

Rub or marinate your steak as desired, bring it to room temperature before you start grilling.

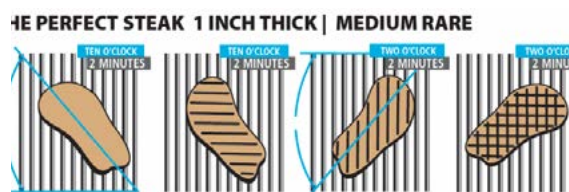

By flipping the steak through the four positions below you'll end up with the perfect diamond shaped sear marks, every time.

Turn your Broil King® Pellet grill on then press the GRILL 316°C (600°F) quick-set button. Brush or spray your cooking grids with cooking oil.

Trim excess fat from the steaks. In a glass dish

or heavy plastic bag combine the marinade ingredients. Marinate the steaks for no more than 1 hour at room temperature.

Follow the Perfect Steak Grilling Guide to achieve your desired doneness:
