

What is Baby Depot?

Baby Depot is a community-centered initiative dedicated to providing essential resources and support to new mothers. Our primary goal is to ensure that babies have access to the necessities they need for a healthy start in life. The Baby Depot offers a range of services, from distributing baby supplies to providing educational resources and expert guidance.

Our Mission

Our mission is to support new and expectant mothers by offering a reliable source of essential baby supplies, health and wellness resources, and a supportive community network. Baby Depot is offered by the Institute for the Advancement of Minority Health to ensure maternal and child health services to those who need them most.

How to Access Our Services

Eligibility:

Our services are available to new and expectant mothers in Jackson who meet certain income requirements.
