Connecting to the Assumption University Wi-Fi

If you need to connect to the wi-fi when on the Assumption campus, you will need to provide guest user credentials before you can access the internet. Follow the steps below:
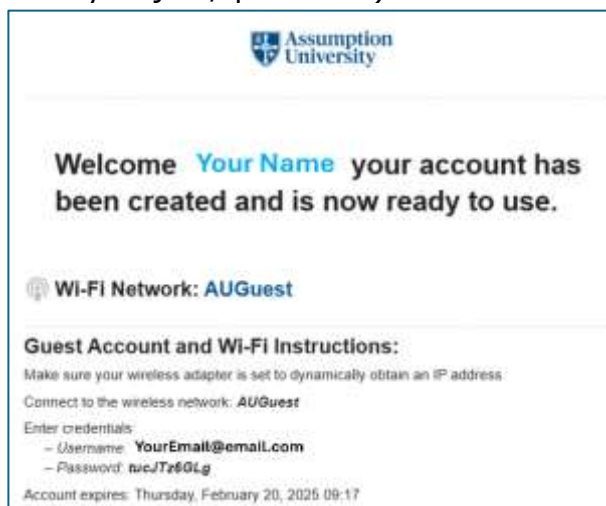

1. On your personal device (laptop, tablet, phone) go to your device **settings** to locate the **available Wi-Fi networks**
2. Select the **AU Guest** Wi-Fi network
3. Wait a few moments for the following screen to appear:

4. Enter your **name and email** address in the provided fields
5. Check off the box to **Accept the terms of use**
6. Click **Register;** a second window will appear that looks like this:

7. **Go to your email Inbox** to find the acknowledgement email with your temporary password (HINT: check your junk/spam folder). The email will look like this:

8. Go back to the pop-up window (as seen in Step 6 above) and select **Click Here to Login**
9. **Enter your email and the temporary password (from the email) and Connect**
