This juried exhibition features artists who are, or were, involved in the legal profession (*lawyers, paralegals, legal aid staff, law school students, social workers, mental health professionals, interpreters, "friends of justice" and more*). In concert with Equal Access to Justice's JAM FOR JUSTICE battle-of-the-bands, this exhibition aims to showcase talents taken from the right side of the brain **and to help raise funds for New Mexicans in dire need of free civil legal services.**
