

VACATION BIBLE SCHOOL

Friends,

This week we are braving the wilds (and the squirrels) at Camp Chaos! We are learning about how Jesus is our Path to Peace. On Monday, we heard the story of the Wise and Foolish Builders (Matthew 7:21-27) and how Jesus is our firm foundation in times of chaos. Last night we heard how Jesus fed a crowd of five thousand people even though he had just experienced the loss of John and wanted to be alone (Matthew 14:1-13). Jesus cares for our needs, even in the midst of chaos. This evening we will hear how Jesus calmed the storm for his disciples (Mark 4:35-41). With Jesus there is peace, even in the midst of chaos. Finally, we will conclude VBS tomorrow evening with the story of how Jesus healed Jairus' daughter (Mark 5:21-43). Jesus removes the chaos from our hearts. In keeping with our camp theme, this year we are collecting for Camp Burnamwood in memory of John Erwin, camp counselor extraordinaire. If you would like to contribute to this collection, you can drop off your change at church or put a check in the offering plate with Camp Burnamwood in the memo line.

Vacation Bible School takes many people to make it a success. Thank you to all of our volunteers who are generously giving their time and talent this week to make this a joyful experience for our children. Please feel free to join us tonight or tomorrow at 5:30pm for dinner and then stay and enjoy the chaos!

Blessings,
Amy Wilson

LOCAL MISSION

CALLING ALL HOME SEWERS! A New Ministry at Sts. Peter and Paul

[Dress a Girl Around the World](#)

Dress a Girl Around the World is a campaign under [Hope 4 Women International](#), a 501(c) 3 organization. Their goal is to provide a new dress or pair of shorts for every child in need, both nationally and internationally.

Beyond the belief that every child deserves at least one new piece of clothing, there is a critical safety component to this mission. If a child appears to be “attended to,” that moment of pause can be enough to help prevent kidnapping for sex trafficking purposes. Any impact we can make on this worldwide issue is worthy of our consideration.

You do not have to be a seamstress to join in. There are many ways you can help, including:

- Washing, drying, and pressing fabric
- Cutting out fabric
- Sewing
- Donating unused stashes of fabric (cotton and cotton blend only)

If you are interested or would like more information on how to get involved, please feel free to contact:
