

THE PRESBYTERIAN CHURCH OF DANVILLE

THIS WEEK'S HIGHLIGHTS
OCTOBER 28, 2026

Friends,

This past weekend we observed Reformation Sunday with more than a nod to our Scottish heritage, thanks to our guest preacher and piper, Rev. Dr. Andrew Pomerville. If you weren't able to be present, you can catch some highlights on the church's Facebook page by clicking [here](#). If you don't use Facebook, you can watch on the church's YouTube page by clicking [here](#).

Andrew reminded us of some of what it means to be Reformed: "I like holding on to things from the past, but they're not always better. And I like new things, but maybe they should be influenced by what we had before." This is a contemporary way of expressing a foundational tenet of the Reformation, "Ecclesia reformata, semper reformanda." "The church reformed, always reforming." It is to acknowledge that even though important work has been done in the past, there is always more work to do. Not least on ourselves as the church, both as an institution and as individual members thereof.

We can bring that same ethos to the voting booth over the next several days, as we prayerfully and thoughtfully prepare to choose who will represent "we, the people" in local, state and national government. Our faith - what we believe about God, one another and the whole of creation - ought to inform our vote. But we must acknowledge that those beliefs have been shaped by the influence of many voices outside scripture and the church, not least when it comes to the intersection of faith and politics. Social media is awash with people stating, "Christians cannot vote for..." or "You cannot follow Jesus and vote for...". Yet clearly Christians can and do vote for deeply flawed candidates and policies on both sides of the aisle, for all manner of reasons. Even the ballot acknowledges that, by leading with the option to select "Straight Party," that 'D' or 'R' being more important for some than the individual name that precedes it.

I've lived in this country for more than 35 years, but this will only be the second election in which I've voted, having become a citizen in 2024. My faith will indeed inform which boxes I check on the ballot, selecting the candidates I believe are more likely to work towards the care of individuals, communities and the creation to which Scripture calls us. No doubt, members of this congregation will choose different candidates than I do with exactly the same intentions. And when the results are known, some of us will be encouraged, others disappointed, perhaps even distressed, as is always the case. But I know that those same people, who voted for different candidates, will a week or so later stand shoulder to shoulder and assemble a meal for the food insecure in our community. We will sit around tables in our building and discuss ways to support the folk who are struggling in our community. We will embody God's care of individuals, community and the creation - together - because that's what this congregation does, election year or not.

Our vote matters. Elections have consequences, and the greater the consequences, the more shrill become the voices that seek to divide us, rather than calling us to work together. Let us vote our faith, let us vote our conscience, and then continue to work together as imperfect people, seeking the Kin-dom of God together, reformed and always reforming.

The best is yet to come!

COMMUNITY HYMN FESTIVAL

PresbyDan will host a **Community Hymn Festival** on **Sunday, November 8 at 3:00pm**. This is a unique opportunity for people from throughout our region to come together for a time of exuberant corporate singing, encouraging Scripture readings, and uplifting special music in celebration of God's faithfulness!

The Boyle Brass Quintet, along with several other instrumentalists will join the 35-voice Festival Choir (consisting of vocalists from PresbyDan and several other local churches) in leading those gathered in singing classic and new hymns of faith.

No admission will be charged, and an offering will be taken in support of a (yet to be determined) local ministry or charity.

Please consider joining us in this time of community singing and fellowship and invite others to come with you!

CONSECRATION POTLUCK LUNCH

Friends,

Sunday, November 15 is Consecration Sunday, when those of us who have made this congregation our church home are invited to bring our pledge cards to commit to supporting the 2027 church budget financially. Following the service, we will extend the communion table to the Fellowship Hall, and continue the feast with a potluck lunch. The church is providing the main dish - please bring sides and desserts as follows:

- **If your surname begins with A-L, please bring sides or salads**
- **If your surname begins with M-Z, please bring a dessert**

COMMUNITY HYMN FESTIVAL

PresbyDan will host a **Community Hymn Festival** on **Sunday, November 8 at 3:00pm**. This is a unique opportunity for people from throughout our region to come together for a time of exuberant corporate singing, encouraging Scripture readings, and uplifting special music in celebration of God's faithfulness!

The Boyle Brass Quintet, along with several other instrumentalists will join the 35-voice Festival Choir (consisting of vocalists from PresbyDan and several other local churches) in leading those gathered in singing classic and new hymns of faith.

No admission will be charged, and an offering will be taken in support of a (yet to be determined) local ministry or charity.

Please consider joining us in this time of community singing and fellowship and invite others to come with you!

THE PRESBYTERIAN CHURCH OF DANVILLE

THIS WEEK'S HIGHLIGHTS
OCTOBER 28, 2026

Friends,

This past weekend we observed Reformation Sunday with more than a nod to our Scottish heritage, thanks to our guest preacher and piper, Rev. Dr. Andrew Pomerville. If you weren't able to be present, you can catch some highlights on the church's Facebook page by clicking [here](#). If you don't use Facebook, you can watch on the church's YouTube page by clicking [here](#).

Andrew reminded us of some of what it means to be Reformed: "I like holding on to things from the past, but they're not always better. And I like new things, but maybe they should be influenced by what we had before." This is a contemporary way of expressing a foundational tenet of the Reformation, "Ecclesia reformata, semper reformanda." "The church reformed, always reforming." It is to acknowledge that even though important work has been done in the past, there is always more work to do. Not least on ourselves as the church, both as an institution and as individual members thereof.

We can bring that same ethos to the voting booth over the next several days, as we prayerfully and thoughtfully prepare to choose who will represent "we, the people" in local, state and national government. Our faith - what we believe about God, one another and the whole of creation - ought to inform our vote. But we must acknowledge that those beliefs have been shaped by the influence of many voices outside scripture and the church, not least when it comes to the intersection of faith and politics. Social media is awash with people stating, "Christians cannot vote for...", or "You cannot follow Jesus and vote for...". Yet clearly Christians can and do vote for deeply flawed candidates and policies on both sides of the aisle, for all manner of reasons. Even the ballot acknowledges that, by leading with the option to select "Straight Party," that 'D' or 'R' being more important for some than the individual name that precedes it.

I've lived in this country for more than 35 years, but this will only be the second election in which I've voted, having become a citizen in 2024. My faith will indeed inform which boxes I check on the ballot, selecting the candidates I believe are more likely to work towards the care of individuals, communities and the creation to which Scripture calls us. No doubt, members of this congregation will choose different candidates than I do with exactly the same intentions. And when the results are known, some of us will be encouraged, others disappointed, perhaps even distressed, as is always the case. But I know that those same people, who voted for different candidates, will a week or so later stand shoulder to shoulder and assemble a meal for the food insecure in our community. We will sit around tables in our building and discuss ways to support the folk who are struggling in our community. We will embody God's care of individuals, community and the creation - together - because that's what this congregation does, election year or not.

Our vote matters. Elections have consequences, and the greater the consequences, the more shrill become the voices that seek to divide us, rather than calling us to work together. Let us vote our faith, let us vote our conscience, and then continue to work together as imperfect people, seeking the Kin-dom of God together, reformed and always reforming.

The best is yet to come!

Sean

THE PRESBYTERIAN CHURCH OF DANVILLE

THIS WEEK'S HIGHLIGHTS
OCTOBER 28, 2026

Friends,

This past weekend we observed Reformation Sunday with more than a nod to our Scottish heritage, thanks to our guest preacher and piper, Rev. Dr. Andrew Pomerville. If you weren't able to be present, you can catch some highlights on the church's Facebook page by clicking [here](#). If you don't use Facebook, you can watch on the church's YouTube page by clicking [here](#).

Andrew reminded us of some of what it means to be Reformed: "I like holding on to things from the past, but they're not always better. And I like new things, but maybe they should be influenced by what we had before." This is a contemporary way of expressing a foundational tenet of the Reformation, "Ecclesia reformata, semper reformanda." "The church reformed, always reforming." It is to acknowledge that even though important work has been done in the past, there is always more work to do. Not least on ourselves as the church, both as an institution and as individual members thereof.

We can bring that same ethos to the voting booth over the next several days, as we prayerfully and thoughtfully prepare to choose who will represent "we, the people" in local, state and national government. Our faith - what we believe about God, one another and the whole of creation - ought to inform our vote. But we must acknowledge that those beliefs have been shaped by the influence of many voices outside scripture and the church, not least when it comes to the intersection of faith and politics. Social media is awash with people stating, "Christians cannot vote for..." or "You cannot follow Jesus and vote for...". Yet clearly Christians can and do vote for deeply flawed candidates and policies on both sides of the aisle, for all manner of reasons. Even the ballot acknowledges that, by leading with the option to select "Straight Party," that 'D' or 'R' being more important for some than the individual name that precedes it.

I've lived in this country for more than 35 years, but this will only be the second election in which I've voted, having become a citizen in 2024. My faith will indeed inform which boxes I check on the ballot, selecting the candidates I believe are more likely to work towards the care of individuals, communities and the creation to which Scripture calls us. No doubt, members of this congregation will choose different candidates than I do with exactly the same intentions. And when the results are known, some of us will be encouraged, others disappointed, perhaps even distressed, as is always the case. But I know that those same people, who voted for different candidates, will a week or so later stand shoulder to shoulder and assemble a meal for the food insecure in our community. We will sit around tables in our building and discuss ways to support the folk who are struggling in our community. We will embody God's care of individuals, community and the creation - together - because that's what this congregation does, election year or not.

Our vote matters. Elections have consequences, and the greater the consequences, the more shrill become the voices that seek to divide us, rather than calling us to work together. Let us vote our faith, let us vote our conscience, and then continue to work together as imperfect people, seeking the Kin-dom of God together, reformed and always reforming.

The best is yet to come!

Sean

SET YOUR CLOCKS BACK!

Daylight Saving Time ends Sunday, November 1 at 2:00am, so, if you still have clocks that need to be reset manually, remember to set them back by one hour. If you don't remember, don't worry - you'll be here in time for Christian Formation at 9:00am!

SESSION HIGHLIGHTS

The Session met on October 20 and took the following actions:

- Held early discussions of challenges and opportunities in the 2027 budget
 - Approved an infant baptism next month
 - Discussed ideas for use of 2026 Session philanthropy funds from the Sigwald Trust
 - Reviewed progress on a new church safety and security policy
 - Approved motion to hire a technician to operate livestream equipment for church worship services

COMMUNITY HYMN FESTIVAL

PresbyDan will host a **Community Hymn Festival** on **Sunday, November 8 at 3:00pm**. This is a unique opportunity for people from throughout our region to come together for a time of exuberant corporate singing, encouraging Scripture readings, and uplifting special music in celebration of God's faithfulness!

The Boyle Brass Quintet, along with several other instrumentalists will join the 35-voice Festival Choir (consisting of vocalists from PresbyDan and several other local churches) in leading those gathered in singing classic and new hymns of faith.

No admission will be charged, and an offering will be taken in support of a (yet to be determined) local ministry or charity.

Please consider joining us in this time of community singing and fellowship and invite others to come with you!

CONSECRATION POTLUCK LUNCH

Friends,

Sunday, November 15 is Consecration Sunday, when those of us who have made this congregation our church home are invited to bring our pledge cards to commit to supporting the 2027 church budget financially. Following the service, we will extend the communion table to the Fellowship Hall, and continue the feast with a potluck lunch. The church is providing the main dish - please bring sides and desserts as follows:

- **If your surname begins with A-L, please bring sides or salads**
- **If your surname begins with M-Z, please bring a dessert**
