

EAGLES WINGS

NOVEMBER 2025

Message from President Mike Eason

Dear Members,

We are seeing increased activity at Suhaka Field. I believe much of the reason is due to the membership being very welcoming to visitors and new pilots coming to fly there. It is nice to see an

increase in minors enjoying our hobby. I ask that we all pay attention to new fliers that may not be aware of the etiquette for flying at Suhaka. Friendly information shared when we see pilots not being familiar with Suhaka, will help everyone enjoy flying here. We seem to be welcoming two new members to our Club each month. I have also received inquiries by organizations looking for a place to fly their quads for training and testing. They may need some help being familiar with the rules. It is a posted rule that you must have an AMA membership to fly at Suhaka Field.

Nominations for 2026 Board Members will be at the November Meeting. There are many non-elected positions if you would like to help. The President makes a request for non-elected officers to fill those positions. The Secretary Board position has been vacant for multiple years.

Wishing all a Happy Thanksgiving

Mike Eason, President, DRCE

Show & Tell

Jack Dunkle shared his Hobby King B17.

Approval of Minutes from last club meeting

Motion to Approve: Minutes not sent before Meeting

Leadership Reports

President – Mike Eason—

Nominations for Board Members in November

Vice President – Dan Kellogg — Unable to attend

Treasurer – Joe Apice — Report on Finances

132 Members

Safety Officer – Joe Vedovatti — Incident with 2M glider with reversed esc. Hand launched and it flew backwards. Check rotation before installing prop.

Director of Field Maintenance – Bob Hehemann – Unable to attend

Thanks to everyone that came on Maintenance Day. Painted tables, smoothed transition between taxiway and runway and painted yellow lines in pit. Bob Brelsford worked on mower and prepped snowblower. New Velcro on connex lock. No weekend snow removal on runway.

Chief Flight Instructor – Mike Eason – Reports from Instructors.

Rodney Getty doing most of the training. Has at least four students.

Motion to Adjourn

Motion made by Joe Vedovatti, 2nd by Jack Dunkle

Adjourn Meeting Time

Meeting adjourned at 7:45 PM.

SATURDAY, NOVEMBER 29TH

Time: Check in and set up starts at 7:00 AM
Auction preview 10:00 - 10:30
Auction starts promptly at 10:30

Location: Wings Over the Rockies Air and Space Museum

Address: 7711 E. Academy Blvd #1, Denver, CO 80230

Auction will be for anyone who wishes to buy or sell remote control aircraft, supplies, or any related tools or accessories. A fee of 20% of the sale price (minimum fee \$5.00) will be charged if you sell an item during the auction.

Whether you wish to buy or sell, please preregister online using the QR code provided below. If you wish to sell, you will also need to separately register each item for sale via an online item registration link which will be e-mailed to you after you register.

When you arrive at the auction, please check in at the registration table to get your bidder number. This is essential for both buyers and sellers, because it's how we account for all transactions. Even if you don't plan to buy or sell, it's safer to have a bidder number in case you change your mind!

If you didn't preregister, there will be a limited number of laptop computers available at the registration table for this purpose. But we strongly recommend that you preregister online beforehand to save time, especially if you have items to sell. All items offered for sale must be checked in and individually labeled with your bidder number and an item number.

The Wings Predators drone soccer team is ranked third in the nation and going for the GOLD this year. They were the District 9 (Our AMA district) Champions.

Proceeds will be split with the Wings Predators drone soccer team which will be in full force to assist with the event. They will also be the entertainment for the event at half time.

Auction detail and preparation of your auctioned items:

Items of \$25.00 or less should be boxed together and will have the same item number. Combined items should have at least a \$25.00 value. Any item that does not sell will be charged a \$5.00 pass fee.

When you arrive at the museum:

All items for auction will enter through the north center door of the museum located on the north side of the building. There will be assistants at the door to help you with your paperwork. Then your registered items will be put on display tables on the way to the auction block. After items are auctioned off, they go to a holding area and are grouped by your bidder number. After checking out, you will receive your statement and retrieve your purchased items from the holding area. Please exit through the security checkpoint at the north door.

Forms of payment:

Cash, VISA, Mastercard, Paypal. Sorry no checks accepted

If you would just like to donate an item and not personally get anything for it, all proceeds would go to the club and Predators.

The Denver R/C Eagles thanks the Wings Over The Rockies Museum for the use of their amazing space.

Again this year the venue is donated A \$9000 a day bonus.

Please note, there is no entry fee for the auction itself, but the Wings Over The Rockies Museum charges general admission to all who enter the museum:

Adult	\$19.95	(17-64)
Active Military & Veterans	\$15.95	
Senior	\$15.95	(65+)
Youth	\$12.95	(4 - 16)
Child	Free	(3 & under)
SNAP Adult	\$1.00	
SNAP Youth	\$1.00
