

EAGLES WINGS

OCTOBER 2025

Message from President Mike Eason

Dear Members,

The last flying event for this year is completed. The Fun Fly was enjoyed by all that participated. It was nice that two minors left with prizes Saturday. Thanks to Tom Neff for managing the event again

this year. November will be Nominations for Board Member Positions. Weather is changing and getting cooler. Not long before the white stuff is on the runway. Time to get those snow planes ready. The snow doesn't last that long so don't miss your opportunity to fly off it.

Best Wishes,

Mike Eason, President, DRCE
