This establishment is one of a select number of funeral homes who meet the criteria for providing green funeral service by the Green Burial Council; a tax-exempt, nonprofit organization working to encourage environmentally sustainability in the field of funeral service. These offers allowing for a funeral to take place without the use of toxic of non-biodegradable materials/chemicals. Caskets and shrouds are made available to enclose and transport the dead. Body preparation suitable for a green funeral service accommodated by this funeral home consists of refrigeration, the use of topical sprays/compounds, or arterial embalming with essential oils. Home wakes, public visitations, church funerals, and graveside services are options that may be arranged within the time frame that a green funeral allows. Please check our supplemental price list for detailed price information regarding our service and merchandise offerings.
