General Policies

_____ Clients must pick up their pet/s by 10am in order to not be charged for the day.

_____ If a grooming/bath is scheduled on the day of pickup, the 10am check out policy does not apply. Clients will either schedule a later pickup time or be called when the grooming is complete. You will not be charged for the day of pickup as long as picked up by closing.

Vaccinations

_____ I am aware that this facility requires 4 vaccinations for dogs. Those being a Rabies, Distemper/Parvo, Lepto, and 6-month Bordetella.

_____ I am aware that the Bordetella is only considered current for **6-months** at this facility, even if my vet considers it an annual.

_____ I am aware that this facility requires 3 vaccinations for cats. Those being a Rabies, Feline Leukemia, and Feline Upper Respiratory.

_____ This facility does not exempt any pet from vaccinations due to **owner's personal** preference. Exemptions can be made for health concerns or the pet's age, but needs to be discussed with staff prior to board. A written form from the pet's vet will be required to excuse a vaccination.

_____ This facility does not accept home administered vaccines unless provided with the original packaging, vial labels, AND a receipt from date of purchase.

_____ This facility requires all pets are vaccinated **48 hours or more PRIOR** to boarding. Pets will be turned away at drop off if this requirement is not met.

Feeding/Treats

_____ This facility does not provide specialty or canned foods as part of the main diet. All wet or specialty food must be provided by owner.

_____ All supplements will be considered Medications and subject to a \$3 per day fee. Supplements will not be considered as treats, as they have a dose limit per day.
