### **1. Overview**

Phoenix AcroDance Academy (PADA) is pleased to offer a two-week trial program for new students for £15 per person, giving them the opportunity to experience our term-time classes with no obligation to continue.

The trial fee covers the full 14-day period, not individual classes.

Participation in the trial is optional; new students may also choose to enrol directly into classes via the online portal without completing a trial.

### **2. Classes Included in the Trial**

- Monday – Acrobatic Arts
- Monday – Body Flexibility, Stability & Mobility

### **3. Classes Excluded from the Trial**

#### **4. Payment Terms**

The trial fee is £15 per person, non-refundable.

Payment must be made within 3 days of enrolment, or immediately if the trial begins within those 3 days.

An e-invoice will be issued by the academy.

Please ensure payment is made only after receiving an active invoice.

Once payment is received, the student's place in the trial will be confirmed and a trial confirmation email will be sent.

#### **5. Trial Duration**

The two-week trial covers 14 consecutive days from the selected start date.

Students may attend any selected eligible classes within this period.

#### **6. Eligibility**

The two-week trial is available once per student.

After a student has either completed the trial or chosen to join PADA without using the trial, they will not be eligible for a future trial once membership has commenced.

#### **7. Class Availability**

Participation in the trial does not guarantee a place in any class.

To secure a space, parents or carers may enrol via the online portal during or after the trial period.

Class enrolments are processed on a first-come, first-served basis.

#### **8. Standards & Conduct**

All trial participants are required to follow PADA Standards and student expectations, just as full members do.

This ensures a safe, positive, and supportive environment for all students.
