Prayer led by Alan Thornburg

The video and the 3 options were reviewed with the members of the building committee that were presented to the congregation in 2 previous meetings that 60-70 people attended prior to the Charge Conference vote. The vote of the congregation was to proceed with the Building Committee. It was reiterated that none of the options included remodeling of the current building. After discussion today and during our previous meetings the Building Committee by consensus did decide that remodeling the current building is not a viable option.

We did table a motion to eliminate Option #1: Stay, demo old and build new. More discussion was determined to be needed for an agreement.

Questions that came up:

How many family units do we have? 134 Members

Will the conference let us sell the current land & building

Do we have access to money, at a moments notice, so we have the ability to move quick on new land acquisition or if we need professional work done?

Discussion that we would like Dan Bader, DS to help answer those questions and if we could invite him to our next meeting for answers.

Discussion of 150 Knollwood Dr. that is for sale at a reduced price. 0.67 acres vs pir 1.03 acres. The Building Committee met Dan Logan, our Realtor, to look at the property.

Our Next Meeting will be to discuss our Mission and Vision for our church. Our next meeting will held August 28th at 3:00 at the church.
