Payments for personal tax returns:

A screenshot of the IRS website homepage. The header is dark blue with the IRS logo on the left and links for Help, News, English, Charities & Nonprofits, and Tax Pros on the right. Below the header is a navigation bar with links for File, Pay, Refunds, Credits & Deductions, and Forms & Instructions, along with a search bar. The main banner features a photo of a man and a woman looking at a laptop, with the text "Helping people understand and meet their tax responsibilities". Below the banner is the heading "How can we help you?". Under this heading are nine service tiles arranged in a 3x3 grid. A large blue arrow points from the "Make a Payment" tile (top row, second column) towards the bottom right of the page.

Step 2 of 5

**Your identity could not be verified. Please review and re-enter your information or try a different tax year.**

All fields with \* are required.

### Verify Identity

Direct Pay verifies your identity using information from your 1040 filing history. Please provide the following information from a 1040 tax return you filed for one of the years listed in the Tax Year for Verification drop down menu.

Note: the Tax Year for Verification you enter here does not have to match the tax year for your payment.

Tax Year for Verification \* 

2021

[This is the most common error when attempting to use www.irs.gov .](#)

When you get to this screen, remember that you have to verify from a **PREVIOUS year's tax return**. If you are paying for this year's filing, for example 2022, you must use a previous year or you will get an error, as above (tried to use 2022 and it failed, but 2021 worked). Also, remember to use the address for that previous year's return, not necessarily your current address.
