**A MESSAGE FROM
MELISSA MADDOX-EVANS
EXECUTIVE DIRECTOR/CEO**

We hope you are having a nice summer and enjoying the warm weather. We are excited to have partnered with Mrs. Toni Strong-Pratt, of People Builders Consulting to facilitate a program to assist residents in improving their lives and tenancy. We hope the graduates of her class feel the hope that comes from a fresh start. Everyone needs to feel that they are in control of their lives and have tools to overcome diversity.

We also held online and in-person resident meetings at Robinwood and Bloomsbury Square to discuss future redevelopment plans. We are in the early stages of securing financing and we are eager to continue receiving resident feedback as we make these plans together. We encourage more residents to attend and be informed of the changes ahead.

Sincerely,

Melissa Maddox-Evans

A MESSAGE FROM BISHOP CRAIG COATES BOARD CHAIRMAN

The Heat Is On!

We are living through an economically challenging time. Ongoing federal budget cuts continue to place a heavy burden on working-class and low-income families. If you haven't yet felt the impact, the coming months may bring new financial challenges for us all.

In times like these, it's important to remember: you are not alone. Many are struggling to keep up with bills, manage household responsibilities, and simply make ends meet. Regardless of your income, budgeting can be difficult—but there are practical steps you can take to stay afloat.

- Be mindful of your spending.
- Reduce electricity usage where possible.
- Choose fresh, budget-friendly foods when available.
- Utilize coupons and apps when spending. Those points do add up.
- If you receive a tax refund, consider saving a portion instead of spending it all at once.
- Take advantage of free or low-cost mental health resources to help reduce stress and support your well-being.

Throughout the remainder of the summer, I, along with fellow commissioners, will be out in the community to listen to your concerns, hear your needs, and work together toward meaningful solutions. As our leadership team visits neighborhoods and communities, I look forward to connecting with you and hearing how we can better support your household.

Stay safe, stay strong—and always remember: You Matter.

Bishop Craig Coates

**A MESSAGE FROM
JACQUELYN V. WELLS**

COMMISSIONER, RESIDENT ADVISORY BOARD & RESIDENT COUNCIL ADVISOR

June is a month with special meaning, especially because of Juneteenth, a day that celebrates freedom and the end of slavery in the United States. The name “Juneteenth” comes from “June” and “nineteenth,” marking June 19th as the day when many enslaved people learned they were free.

Juneteenth, also known as Emancipation Day, is a reminder of how far we’ve come and the work still ahead in the fight for equality and justice. While Juneteenth isn’t yet a federal holiday, it is recognized by most states and the District of Columbia, either as a holiday or a day of observance.

As we celebrate, let’s take a moment to reflect on the progress we’ve made and look ahead to a future of greater freedom and opportunity for all.

Sincerely,

Jackie Wells

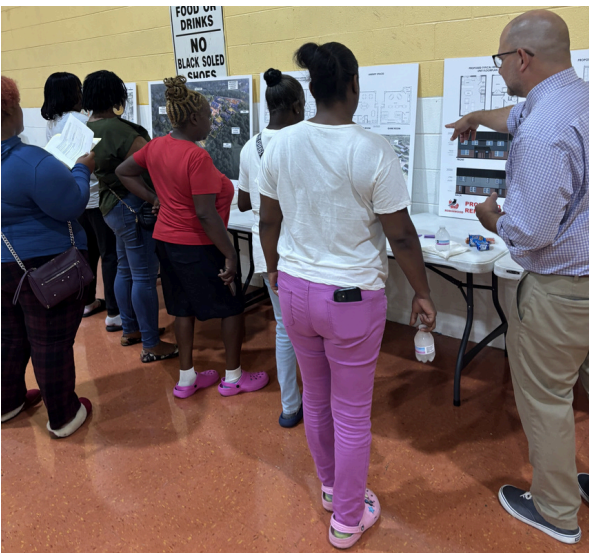

Commissioner, Resident Advisory Board, Resident Council Advisor, and Resident Ambassador

Past Events

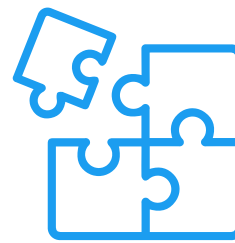

The Prosper Free Cell Phone Event on April 24, 2025 aimed to improve participants' access to vital services such as medical care, transportation, job search, and benefit inquiry. This initiative complements the continuous support provided by the ROSS Coordinator, focusing on enhancing participants' quality of life and fostering self-sufficiency. Each participant received a brand-new cell phone, free of charge and without any contract obligations.

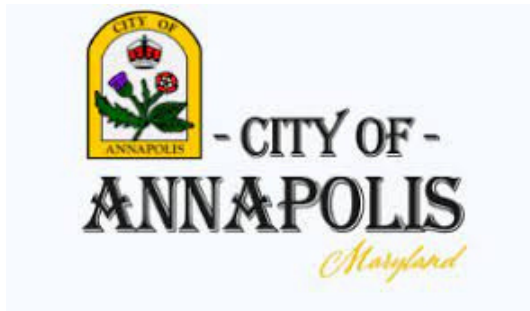

On April 3, 2025, the ROSS participants learned about the benefits of rental insurance from a Geico representative. The representative outlined simple steps to protect personal belongings, and the group found the information very valuable. As a result, everyone eagerly decided to enroll in the Geico Rental Insurance plan, attracted by its affordable monthly rates and the peace of mind it offers.

GED preparation Event 5-8-25. The OIC presenter was excited to support the ROSS participants on their journey to self-sufficiency through a variety of fantastic services! One standout offer is the online GED preparation, which even provides a complimentary notebook to all students, what a great perk! This user-friendly program allows students to learn from the comfort of their homes. Additionally, the presenter shared valuable insights with the ROSS participants about job readiness skills and essential computer training. It was inspiring to see everyone's enthusiasm for signing up for the upcoming pre-GED preparation test and exploring the excellent work skills taught by the dedicated OIC instructor.

Thank you to all the residents who came out and participated in the many events we hosted here at HACA. We are looking forward to a year full of events that will best serve the community.

C.R.I.C.T.

(Community Resource Initiatives Care Team)

CRICT is a unique group of Anne Arundel County agencies, community organizations, and System of Care Navigators that meet one-on-one with families in a forum setting.

The goal of these meetings is to develop an individualized action plan based on how each Care Team member can assist with the unique needs of the family. This format eliminates the "pass-around" and fatigue of contacting multiple agencies and services to determine qualification.

Instead, a family only needs to explain their situation once to the Care Team and the members will work together identifying available resources in their prospective agencies/departments to create a realistic and sustainable plan for the family.

Cases/Family Types We Serve:

- Family with at least one school-aged child (Standard CRICT)
- Family with a child aged 0-5 and/or an unborn child (EC CRICT)
- Family who is victim of domestic violence (VS CRICT)
- Family facing chronic homelessness (BRICKET)
