Dear Military Service Members and Veterans,

At Hampton Roads Independent Baptist Church (**HRIBC**) we recognize the great and costly sacrifice and service our military members have given to our country. We are a veteran military friendly congregation. We are committed to supporting their spiritual and emotional well-being, along with their families. Our church family is a warm and welcoming space where service members and veterans can find understanding, spiritual reconnection, and a safe space where they can be seen and heard. We offer prayer support, fellowship, and services that honor your journey and provide space for connection with others who understand military life. We invite you to join us and discover a faith community that stands with you on your journey of spiritual discovery and a renewed sense of purpose.

HRIBC is a New Testament church with a heart for people. We recognize our responsibility and maintain God's focus on **"all nations."** Our purpose is to glorify God by fulfilling the Great Commission (Matthew 28:19-20). We seek to produce spiritually maturing Christians for the purpose of ministering to others. Our objectives are to evangelize sinners, baptize saints, and catechize servants, and to mobilize soldiers in service for the Lord.

Sincerely yours,
