

GREETINGS PARISH FAMILY!

I pray this letter finds you well and warm and that your new year is off to a wonderful start after such a beautiful and blessed Christmas Season. Speaking of the new year gives us an opportunity to reflect on all of the exciting changes we experienced in 2023 through All Things New, bringing the St David and Immaculate Conception Parishes together as one new Parish Family. And with 2024, more exciting things are still to come. Which brings me to the reason for this letter!

One of the first things we were tasked with as a new parish family was choosing a new name. After several weeks of recommending, voting, and submitting the final names to the Archbishop for consideration, we were informed by the Archdiocese that the Archbishop has chosen a name for our Parish! I know this announcement has been eagerly awaited by all of you, I know it has been for me. I want to personally share this news and will do so at all of the Masses next weekend, beginning at the 4 PM Mass at St. David on January 27, 2024. Then on Sunday, January 28, 2024 I'd like to invite everyone to the Parish Center at Immaculate Conception for a small celebration and fellowship to commemorate this exciting news! Sandwiches, cake, and refreshments will be served from 12:30 to 2 PM. I hope you will join your fellow parishioners as we celebrate coming together as one dynamic Catholic presence in the Arnold community! We have so much to be thankful for and our new identity as one Parish Family is just the beginning of many wonderful blessings to come!
