October, 2025

Recently we have changed our Sunday worship time. We've moved from two services back to one service at 10 AM. This idea was introduced by me, and after many conversations with staff and laity, and many prayers, it was approved by our Administrative Board. Some folks have asked, Why the change? Well...our two services were almost identical in content with some slight adjustments between them. Also, our worship space in each service has been half full, so lack of space for one service is not an issue. One advantage of going back to one service is that it allows our nursery workers and sound booth volunteers to better fulfill their responsibilities.

Since COVID, there have been more churches nation-wide leaving a multi-service worship format & going back to having one worship on Sundays. Thom Rainer, president and CEO of LifeWay Christian Resources, has observed six reasons some churches are moving back to one worship style. Take a look at his post from August 21, 2025:

You could not help but notice the trend of the past two decades. Numerous churches began offering worship services with different worship styles. It is not unusual to see a church post its times of worship for a contemporary worship service, a traditional worship service, and an occasional blended worship service.

The trend was fueled by two major factors. First, many churches were fighting worship wars. The great compromise was creating a worship service for each faction.

Unfortunately, that created divisiveness in some churches as each faction fought for its preferred time slot. Second, some churches had a genuine outreach motivation. Their leaders saw the opportunity to reach people in the community more effectively with a more indigenous worship style.

Though I am not ready to declare a clear reversal of the trend, I do see signs of a major shift. It is most noticeable among those congregations that have moved from multiple worship styles back to one worship style.

1. *So I spoke to a number of pastors whose churches had made the shift back to a singular worship style. I asked about their motivations for leading their congregations in such a direction. I heard six recurring themes, though no one leader mentioned more than three for a particular church. **Multiple worship styles created an "us versus them" mentality.** Worship wars did not really end with multiple approaches. In some churches the conflicts were exacerbated because those of different preferences did not interact with each other.*

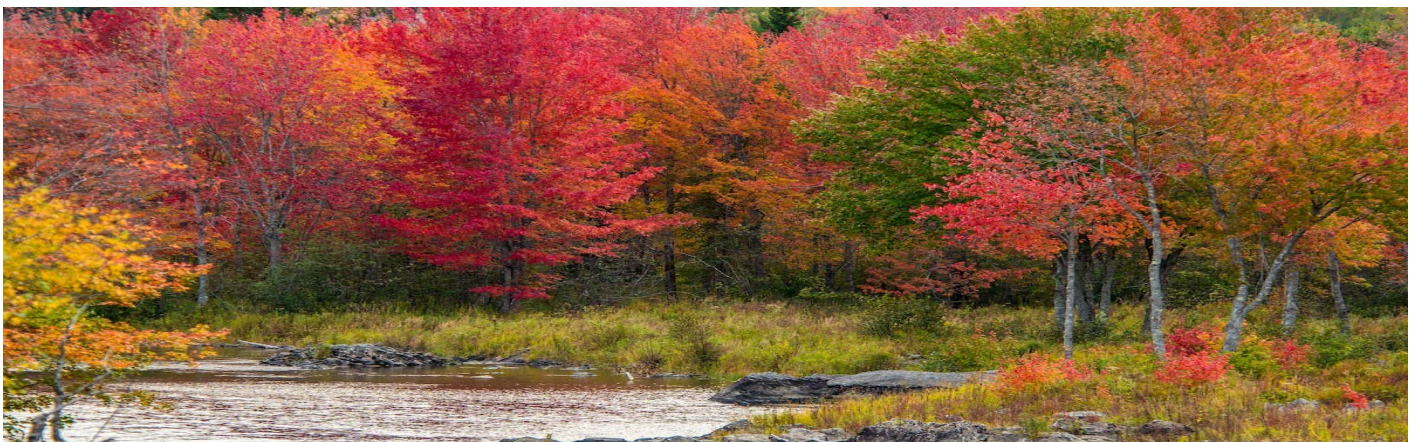

2. *The church did not have the resources to do multiple styles with quality.* In many churches, inadequate resources meant one or all of the services suffered. It was deemed better to put all the resources toward one style of worship.
3. *The church moved from multiple services to one service.* I heard from a number of pastors who have led their churches back to just one service, a move that naturally necessitates one style. Some did so to engender a greater sense of community; others did so due to excessive space in the worship center.
4. *The Millennial generation has influenced many churches.* This generation is much more flexible in its preferences of worship style. They are questioning the need of multiple styles.
5. *Worship wars are waning.* Many congregations with multiple worship styles created them as a response to worship wars. Now that the conflicts are waning in many churches, the need to segregate by worship preferences is no longer necessary.
6. *Multiple generations are becoming more accustomed to different types of church music and worship style.* Contemporary music, in some form, has been around a while. It is not this strange aberration it once was to many congregants. And many church members who did not grow up on traditional worship are hearing those hymns in new and meaningful ways. Simply stated, there is a much greater appreciation for different forms of church music than in the past. Again, I am reticent to declare a major trend to be taking place. But, anecdotally, I am seeing more congregations move to the singular worship style approach. (By clicking on the following Youtube link, you can listen to a podcast with Thom Rainer discussing this article: <https://www.youtube.com/watch?v=q31BoitTVXs>)

In our worship here at Mt. Pleasant I want the Gospel to be proclaimed through the music we sing & the spoken Word. The Gospel of Jesus Christ unifies, it does not divide. We come to worship as one body to glorify God.

At Mt. Pleasant Methodist my goal as your pastor is to grow the fellowship. By having one worship service we not only better utilize our nursery, sound booth resources, and worship space; we also come together as a multi-generational community, just like the 1st century church used to do, to give all our praise and glory to Him. I believe that a one-service worship is ideal, because in one service you are: hearing one preached Word, sharing prayers, & taking the Lord's Supper all together. By coming together in worship, it will help us keep unity in the body and grow our church.

Christ above all,

Pastor Byron

FROM PASTOR KALEB

Hello Church!

It's hard to believe that it's already October. It feels like we just celebrated Easter and Pentecost, and we heard the joyful laughter of kids in the sanctuary during our True North VBS. I have loved the family-friendly atmosphere here at Mt. Pleasant since my first Sunday. As Christians and members of Christ's holy Church, we often refer to the Church as a big family. There is a warm feeling associated with being part of a healthy church family, but as Christians, this family is constantly growing, and we are called to invite others to join the family of God. Evangelism and discipleship are two core components of a healthy church and healthy Christians. Faithful followers of Christ have a desire to share His love (evangelism) while also obeying His teachings (discipleship). In Matthew's Gospel, Jesus appears to Simon and Andrew while they are fishing. He then calls out to them, saying, "Come, follow me... and I will send you out to fish for people" (4:19). This is one instance in Scripture where Jesus is clear about what it means to be His follower. If we aren't fishing, then we aren't following. Notice the very next line in this passage: "At once they left their nets and followed him" (4:20). Talk about faithful obedience.

I believe with all my heart that Jesus wants His followers to take action. He wants His people to be producers, not just consumers. I'm not a fisherman, but I know that fishermen are quick to recommend good spots to catch fish. If you went fishing on Lake Norman and asked someone who's fished here all their life, they would probably suggest some excellent locations. They might even tell you what type of lure to use at those spots. I believe people need to encounter Jesus more than ever. Our country and culture are at a turning point. Friends, now is the time to fish for people. Now is the time to recommend Mt. Pleasant Methodist Church to someone. We recommend our favorite restaurant or movie to others. Let's fish for people by simply inviting them to come and see what the Lord is doing here at Mt. Pleasant. Recommendation is a simple form of evangelism. Sometimes, inviting a stranger to church can feel intimidating, so start with a simple recommendation! Like Simon and Andrew were obedient to Jesus' call, may we follow their example. May we leave our nets and follow Jesus by fishing for people.

WORLD COMMUNION SUNDAY

Sunday, October 5

During our worship services at 8:30am and 11:00am, we will celebrate the sacrament of Holy Communion. While being faithful to the words of Christ when He said, "**Do This in Remembrance of Me**", we will partake of the elements via intinction at the altar.

October is Pastor Appreciation Month

Let's remember to honor our Pastors this month and let them know how much we appreciate them! We are fortunate to have Pastor Byron and Pastor Kaleb caring for and partnering with us in ministry. Let's shower them with love!

MPMC Music Ministry Happenings Dawn Broom

***“God is so good;
God is so good;
God is so good;
He’s so good to me.”***

Fall is officially here – my favorite time of the year,
by the way – and I say thank you, Church Family,
for your encouragement and support of MPMC’s
music ministry.

Our regular schedule continues:

Wednesdays

6:15pm – Bells of Praise (Handbell Room)

7:00pm – Chancel Choir (Music Suite)

8:15pm – Living Stones (Music Suite)

Sundays

4:00pm – Children’s Choir (CLC)

Two new developments: 1) In the Music Suite,
there is now a plaque displayed in memory of the
40+ years of ministry of former Director of Music,
Sam Harbinson, and 2) The Ensemble has adopted
the name “Living Stones.” This name is based on
the scripture 1 Peter 2:4-5a, where it says, *“As you
come to Him, the Living Stone—rejected by
humans but chosen by God and precious to Him—
⁵ you also, like living stones, are being built into a
spiritual house to be a holy priesthood. Both are
very good things!*

For the month of October, allow me to suspend
my discussion of the importance of congregational
singing and address worship attitude, posture,
and behavior.

Pastor Byron, Pastor Kaleb, Ann Herron, our
Lay Leader, and I put careful thought into the order
of and inclusion/layout of all elements of our
service. Each Sunday our corporate desire is to
provide all of us the special opportunity of praising
and worshiping God, to the point where we feel His
presence and come away changed people. A key
component for that outcome is us, the
congregation. I feel it is our responsibility to focus
our minds and hearts on God during the time set
aside for worship. When we enter the Sanctuary,
we have time to fellowship with other Believers
already in attendance; then when the service

begins with the spoken Welcome, we are called into
worship and should be in a posture of reception to
whatever it is God has to say to us. The music, the
scripture, and the Message all are included to lead
us to worship the Creator. Hereon out let us
consider our worship attitude, posture, and behavior
and see if we are positioning ourselves to hear what
God has to say through our worship service.

**Let it be that we all strive to experience
worship more deeply by focusing our minds
and hearts on listening for God and lifting our
voices in song.**

Soli Deo Gloria

“To God alone be the glory.”

“Teach me Your way, Lord,
so that I can walk in Your Truth.
Make my heart focused only on honoring
Your name.”

As announced on 8-31-2025 Pastor Byron has decided to retire. His last day in the pulpit will be Feb. 8th 2026. The committee is currently going thru the proper channels of the Global Methodist Church to find another Pastor. I ask you to continue to pray for everyone involved to make the right decisions for our church's future.

In the meantime, let's wish Pastor Byron a "Happy Retirement" and give him as much love and kindness as we possibly can throughout the next several months.

SPRC-Chairman

From the Admin Board

Autumn Blessings everyone! I hope this correspondence finds you all well. On Thursday, September 18th, we held our 5th administrative board meeting of the year. Rev. Brad Farrington from Appalachian Chapel in Boone, NC joined us to present information about the Global Methodist Church he is trying to establish in Boone. Rev. Farrington is asking us here at Mt. Pleasant to prayerfully consider supporting the establishment of his church as part of our connectional giving through the Global Methodist Church. His goal is for his church to be self-sustaining by Easter of 2028. Pastor Byron also asked if our board and finance committee would look into supporting the Rai Family who are missionaries in Thailand. The finance committee is currently working on creating our budget for 2026 and they will look into creating new line items where we can support these endeavors.

As always our Trustees have been busy helping keep our church grounds up and in good shape. We recently replaced our fence around the playground which looks great! We also recently had a section of our roof repaired near our side entrance of the church. Our youth center remodel is complete and we also recently repaved the

driveway at the parsonage. Please continue to thank our Trustees for all that they do!

Our Staff Parish reported that they have met with Rev. Jason Guyer, who is our presiding elder of the Global Methodist Church, regarding the process of finding a new pastor. They will meet again soon as they try to work towards finding a replacement for Pastor Byron.

Our last bit of business that we discussed was our new church service format. Several members of our board stated that they were hearing a lot of positive feedback throughout our congregation in regards to having one service. After a thoughtful discussion a vote was held and passed to keep us at our current one service format for the foreseeable future. Sunday school/discipleship will start at 8:45 followed by worship at 10:00.

In closing, as we all know, this is a very exciting time of the year with our annual Church BBQ coming up. Please help us spread the word throughout our community! There will be great food and fellowship shared on this day and in the days leading up to it. If you are a new member here at Mt. Pleasant or have never helped with this event I encourage you to come and help be a part of this special day. We need all hands on deck for this to be a success!

Yours in Christ,
Beandon Cline

Our next Family Night is Wednesday, October 1st at 6:00pm in the CLC. This will be a covered dish meal, so prepare your favorite dish, dishes, and/or dessert to share and join us for a time of good food, fun and great fellowship.

Mt. Pleasant Preschool News

The Preschool will be closed on **Thursday, October 9th** for everyone to attend a **field trip to Red Wolf Farm in Maiden**. We will meet at the farm around 9:30 am. The cost is \$12, which does include a small pumpkin. The cost for parents or siblings to attend is \$6. This does not include a pumpkin. I need to get a head count and receive your money no later than Friday, October 3rd.

In September, Medic Melanie spoke to the children about **Car Seat Safety**. As parents, it is your responsibility for the safety of our children. This month she will discuss **Fire Safety**.

October is Fire Safety Month. The **Sherrills Ford Fire Department** will be bringing trucks for the kids to see and learn the importance of fire safety on **October 13th and 16th**. This is always a good time to discuss ways to escape from your home and where to meet, if there is ever a fire in the home.

October is a busy month, along with **Stretch-n-Grow with Mrs. Hilary and Mrs. Sabrina** and **Chapel Time with Pastor Kaleb**.

Fall pictures will be on **Monday, October 27th and Tuesday, October 28th**. A form will be sent home for parents to choose which background they wish to use for their child.

Scholastic Book Orders will be sent home occasionally with the children. This gives parents the opportunity to order quality books at affordable prices. When you place your order, not only will your child benefit by having a new book, but the Preschool receives points to help in ordering new books for our library!

To end the month of October, all classes will be having **Halloween parties on Thursday, October 30th and Friday, October 31st**. The teachers will be sharing what is needed for each class. The children may wear their costumes if they choose too. We will also be having **hayrides** around the church by a grandfather of one of our former preschoolers. Parents are welcome to come and enjoy this with their child. Two's ride will be 10:00-10:15, Three's ride will be 10:15-10:30 and Four's ride will be 10:30-10:45.

Looking ahead:

Andrew Troup, a scout, from Troop 327 that meets here at Mt Pleasant Church on Tuesday evenings, has been attending scout meetings for 9 years first as a cub scout and now as a BSA scout. In that time, Mt. Pleasant has grown to be a very special place to him. He says "The moment I started thinking about my Eagle Scout Project, I knew I wanted to do something to give back to the place that has given so much to me. I have been in various musical programs for a large part of my life and I wanted to share my passion for music with children in the local community. I wanted to build a musical play area on the church playground." And so he did just that, with help from his fellow scouts, leaders, friends, grandparents, Lowes Mooresville and the church and preschool administration, Andrew completed the Mt. Pleasant Musical Playground on August 9th 2025. He invites you all to visit and discover your own passion for music. Andrew recently passed his Eagle Scout board of review and wants to thank the church board and preschool staff for allowing him to build this playground and for making his project possible.

-Andrew Troup, Eagle Scout, 9/18/2025.

This year's BBQ will be held on Saturday, October 25th. Sign-up sheets for volunteers to help will be located in the Narthex and on the pews in the Sanctuary as well as in the adult Sunday School classrooms! We need lots of help with the event as well as desserts. If you have any questions, please contact Barbara Sigmon, Jessica Little, or any member of the BBQ Committee or the church office.

Thank you all for the beautiful prayer quilt that was made for me. It means the world to have such love & care stitched into every piece, especially as I prepared for surgery. Also thank you for placing my beautiful quilt on your altar and thank you to those who tied a prayer knot for me. Prayer is so powerful.

GMC Nepal Trip

HELPING GMC NEPAL

I returned yesterday from a trip to Nepal, where I spent time teaching and assisting pastors and churches with filling out the GMC clergy and church application forms. Many of the pastors, especially those from remote areas, needed help with English. I was grateful to be able to complete a large number of forms on their behalf.

This trip also gave me the special opportunity to visit my family and to preach at my uncle's church. By God's grace, he has now planted 40 daughter churches across Nepal—a powerful testimony of the Gospel's growth in that region.
