DRIVEN TO PROVIDE THE BEST QUALITY AND STYLE

The DEFCO BA350 combines a unique and intimidating appearance package with a fit and finish better than anything produced at the factory.

1 Exclusive DEFCO Body Kit

Each panel is massaged to fit precisely with proper gaps.

2 Superlift with King Coilovers

The suspension is top of the line Superlift featuring King coilovers and reservoir shocks.

3 Built to Drive, Tow and Enjoy

One of the most surprising aspects of the BA350 is the OE like ride quality.

DEFCO QUALITY

Our award-winning team also produces some of the finest custom cars and has many magazine cover cars and SEMA builds to its credit.
