Behaviour Expectation:

As Inspiring Minds has an academic focus and large class sizes, children are required to be able to follow class routines.

Junior Kindergarten Program:

Monday/Wednesday/Friday morning is our 3-day Junior Kindergarten Program, and Tuesday/Thursday afternoon is our 2-day Junior Kindergarten Program. This program is reserved for children who will be entering Kindergarten the following year and are ready for an enriched curriculum. As with our Preschool Program, we will teach early literacy and early numeracy, but we will introduce reading skills and basic math skills as well.

Tuesday/Thursday mornings as well as Monday/Wednesday afternoons will be our Preschool Program for multi-age groups (3 and 4 year olds). This program has an academic component, working mainly on early literacy and numeracy.

Completed registration forms and post-dated cheques can be emailed or dropped off at the school.
