### Course Updates:

- The 2023 season is in full swing! Please remember to follow ALL course rules while playing. We look forward to having a successful second half of the season!
- A small reminder from the board and groundskeeper: We are in at that time of the year where we start working earlier to get the greens mowed before the dew gets off. So please remember the course does not open until 7:30 am. We are all aware we are in a drought, but we are continuously paying attention to the irrigation system in order to bring you good greens and tee boxes.
- Board Meetings are the second Monday of every month at 6:30pm
- So far this year we have 3 Stags, 2 Couple's Nights, and the Maple Lawn and Palmyra Chamber 4-man scramble. These have been huge hits so far, so if you want to play in one sign up now!
- We have also hosted a Mothers and Fathers Day free will donation and will continue to do that in the future.
- Early in the spring, we took part in a "Hot Shots Golf League" where kids from Palmyra, Canton, Lewistown, and Monroe City attended. The turnout was fantastic, and we are planning to host another one in the fall!
- Brooke Wilson hosted a Lady's Night Out on June 24<sup>th</sup>, if you're interest in doing that again, please reach out!

### Upcoming Schedule:

- **July 14<sup>th</sup>: Couple's Night (Taco Bar)**
