

SJ Finance Board Break Out Session
January 20, 2026 at 7:29 PM

Parish Center Survey –

Bathrooms and gathering space are not on survey because they are needed spaces. Survey will be put in bulletin the weekend of January 31 and February 1. Jennifer Farrell will announce at 4:00 and Tom Michalkiewicz will do 9:00 am. Surveys will also be on the table in the vestibule of church. Signature will be optional on survey. Question of are you willing to contribute will be on survey. Surveys are to be returned within 2 weeks by collection basket or parish office. Spirtus may be renting for the 2026-27 school year. Pastor, Finance council, and parish council all need to give approval for new facility before it goes to Diocese for approval.

Speaker system –

There has been an anonymous donation for a new speaker system. There have been 3 quotes and the TFG Audio was the most reasonable. It will include 2 new speakers, 2 amps, 1 mixer and 1 microphone.

5 year plan for capital projects –

Refinish pews, carpeting, Buildings and Grounds, staffing, engineers for flooring in church, church lighting, green space and roof leaks.

Roof Leak –

Original Handi capped entrance had a roof leak. Jim Heller has patched it. Hopefully no more leaks when it thaws.

Organists –

An increase in wage was agreed by all from \$60 per mass to \$100 per mass. Cost to each parish will be \$2,300 per year.

Prayer and meeting closed at 8:09.
