Let Us Help Reach Your DBE Goals

At Terrain Civil, we believe in fostering an inclusive and diverse business environment that reflects the communities we serve, and we recognize that the success of our partner's projects relies on strong, reliable and diverse supply chains. Partnering with Small, Woman-Owned and Disadvantaged Business Enterprises (DBEs) material suppliers is not just about meeting goals – it's about strengthening our industry, fostering innovation and driving long-term economic growth while tapping into the benefits that only SMWDBEs can bring to the table.

Working with Small, Woman-Owned DBEs suppliers offer significant benefits, including:

- **Competitive Pricing & Innovation:** Many DBE and woman-owned suppliers bring innovative solutions and competitive pricing to the table, helping reduce costs while maintaining high-quality standards.
- **Supply Chain Diversity & Resilience:** A diverse supplier base ensures we are not overly reliant on a limited number of sources, improving supply chain stability and reducing risk.
- **Community & Economic Impact:** Supporting these businesses promotes local job creation, economic development, and reinvestment in communities where we operate.
- **Strengthening Industry Relationships:** Building partnerships with diverse suppliers fosters a more inclusive industry and enhances our reputation as a company committed to equitable business practices.

By making conscious purchasing decisions and actively seeking out DBE and small, woman-owned suppliers, you can not only fulfill your social and contractual commitments but also enhance the overall quality and efficiency of your operations. I encourage all to continue identifying opportunities to support businesses such as Terrain Civil and integrate us into your supply chain.

In all situations, the date of this letter shall prevail and shall establish the period during which your small business status is considered effective.

Note that the Metropolitan Government of Nashville and Davidson County, Business Assistance Office (BAO) reserves the right to revoke this status at any time during the term of the approval should it occur that there are material changes to your company's small business eligibility as outlined in the R4.44.020.02 of the Regulations to the Metropolitan Procurement Code.
