### FOR IMMEDIATE RELEASE

#### LEMAY – AMERICA'S CAR MUSEUM CUSTOM LICENSE PLATE APPROVED FOR PRODUCTION

- The Museum's unique license plate is now available for purchase
- A plate with a purpose - purchases of the ACM specialty plate will directly support the Museum, 501(c)(3) nonprofit organization
- One of the only specialty license plates in the country dedicated to a car museum

**Tacoma, WA – February 26, 2026** – LeMay – America's Car Museum's (ACM) long awaited specialty license plate design is now available for purchase via the Washington State Department of Licensing, marking an exciting milestone for both the Museum and for car enthusiasts throughout Washington State. A plate with a purpose - purchases of the ACM specialty plate will directly support the Museum, a 501(c)(3) nonprofit organization, in helping preserve and share America's automotive story, expand educational programming, and continue honoring the past, celebrating the present, and driving the future of car culture and education.

The ACM plate is one of the only license plates in the country dedicated to a car museum. Working through the State's extensive approval and compliance process, the team at ACM developed a plate that proudly reflects the identity, mission, and bold visual spirit of LeMay – America's Car Museum.

Those looking to purchase an ACM plate will be able to do so directly through the Washington State Department of Licensing using the link below:
