- Make sure to use walking feet to avoid any accidents.
- Use inside voices to share your discoveries with your group.
- Stay together in your smaller group with your adult chaperone.
- Keep food, drink, gum, and backpacks out of the museum galleries.
- Photography is allowed, but tripods are not permitted in the galleries.
- Cell phones may be used to take pictures of the vehicles, but we ask that you place phones on silent and store out of sight while Museum staff or volunteers are speaking to give them your full attention and respect.
- Most importantly, HAVE FUN and enjoy your trip through our museum.
