

Midnight Cellars

Rooted in Paso Robles since 1995

| *The Midnight Story* |

The first breath of Midnight Cellars was on the back patio at Domaine Carneros winery in the summer of 1993. This is where our owner and winemaker, Rich Hartenberger made the legendary statement to his father Robert that would change the lives of the Hartenberger family forever, "Hey old man, when you retire, you should buy a place like this and have us run it for you." What began as a slightly tipsy, laughing mention on a family trip to Napa is now a reality. Midnight Cellars is proud to celebrate our 28th anniversary full of family, wine, and only good times!
