Cupeyville Wise

“Cupeyville School was one of the most pivotal stages in my life. With its welcoming environment, it became my second home where I grew as a student and as a human being. Cupeyville’s sensational faculty never failed to challenge us, not only in our studies but also in our personal lives; always pushing us to be better and grow. Class discussions were actively encouraged and went way beyond the classroom walls. Similarly, the friendships formed with students and teachers alike will be ones that I’ll cherish for the rest of my life. Cupeyville School taught me numerous lessons necessary for the life I’m about to begin but, logically, the most important one of all was that knowledge is power.”

Nicole M. Laboy Zapata | Cupeyville School Class of 2019 | The University of Chicago

“From academic foundation to character makeup, Cupeyville School shaped me into who I am today, a skilled and steadfast student, a loyal friend and a responsible individual.”

Mariangel Rivera | Cupeyville School Class of 2016 | Cornell University

“Cupeyville School provided me with the cognitive skills ultimately necessary to venture through my undergraduate pre-medical studies. This institution gave me the academic preparation to pursue excellence at all levels and the opportunity to develop significant leadership qualities. Without a doubt, I will always be deeply thankful for my school community.”

Edicer Ramirez | Cupeyville School Class of 2015 | Universidad de Puerto Rico-Recinto de Ciencias Médicas

CURRICULUM

The Cupeyville School curriculum is college-preparatory. Pre-School is from grades PPK to Kinder and Elementary School is from grades 1 to 6. Junior High School is from grades 7 to 9 and Secondary School is from grades 10 to 12. Our comprehensive core curriculum includes all the required academic courses as well as enrichment courses such as Art, Music, Physical Education, Computer Laboratories, Foreign Languages, Health, Home Economics and Culinary Arts. Our Full English immersion programs apply diverse teaching methodologies and strategies to engage our students and promote learning including, Creative and Research Project Presentations, Conferences and Lectures, Field Experiences and Student Directed Activities. Academic development is monitored and evaluated through regular class examination and grading, as well as annual standardized tests, such as IOWA tests for elementary and high school, PIENSE tests for middle school, College Board admissions test for high school, PSAT’s from 8th to 11th grade, and SAT’s for 11th and 12th grade. Our challenging core curriculum prepares students for Higher Learning Institutions and produces exemplary graduates with outstanding records of college placement and achievement.

SENIOR COURSES

ADVANCED PLACEMENT	COLLEGE LEVEL
English	Biology
Calculus	Psychology
Physics	Spanish
Chemistry	

HONORS CLASSES

Eligibility for Honors Classes in the subjects of English, Spanish and Math begins in grade 8. Students with a stable, high academic performance in all core subjects, as well as an above average performance on standardized testing and teacher recommendations will be considered for eligibility.

ADMISSIONS

Cupeyville School has a highly selective but caring and holistic admissions policy. Admission test for grades Kinder to 12 is required. Interview with the student is required for grades 7 to 12. School visit for grades Kinder to 6. It is school policy to accept all applicants without regards to social status, denominational preferences, or race.

GRADING

All High School students require a 1.0 GPA or above for graduation.

GRADE	AVERAGE	GPA
A	90-100	4.0
B	80-89	3.0
C	70-79	2.0
D	60-69	1.0
F	59-below	0.0

GPA CALCULATION

GPA is unweighted. All subjects, whether passed or failed, are included in the computation. A minimum of 15 credits from grades 10 to 12 are required for graduation. Grades are recorded on the transcript and grade point average is computed annually.

RANK

Cupeyville School does not rank its students.

GRADUATION REQUIREMENTS

Students from grades 10 to 12 must complete the following:

- 3 years of English
- 3 years of Spanish
- 3 years of Math: Geometry, Pre-Calculus, and Calculus or College Math
- 3 years of Science, 2 with laboratory (Biology and Chemistry)
- 3 years of History: World History, US History, and PR History
- 70 Hours of Community Service
- Senior Project Presentation

SCHOOL

Cupeyville School is a quality English-instruction college-preparatory from PPK to 12th grade. Providing academic excellence since 1963, Cupeyville School is a private, non-sectarian and co-educational school with a multicultural student community. Ranked among Puerto Rico's Top English teaching private schools, Cupeyville School's student population is approximately 900 students and employs a combined faculty and administrative staff of approximately 125 members.

Cupeyville School recognizes the multiple learning styles and needs of its students, thereby offering Regular, Honors and Advance Placement curriculum as well as an integrated Bridges Program for students with mild learning disabilities.

Character is at the core of Cupeyville School's educational mission. Cupeyville School prepares well-rounded individuals and committed citizens for a changing society. Wisdom is fostered through the careful harmonization of four cornerstones: Academic Excellence, Individual Creativity, Empathic Spirit, and Physical Wellness.

ACCREDITATIONS

Cupeyville School is accredited by the Middle States Association of Colleges and Schools, the Comisión Acreditadora de Instituciones Educativas (CADIE), and is licensed by the General Council of Education of Puerto Rico.

CAMPUS

Cupeyville School's campus is located in the Cupey Bajo, San Juan metropolitan area on six and half acres of land. Our facilities include campus-wide WiFi, information centers, science labs, computer labs, art resource classrooms, home economics classroom with full kitchen, dance, drama and music studios, foreign language classrooms, an auditorium, competitive swimming pool, volleyball and basketball indoor courts, playground area, faculty resource room, infirmary, security guard service and full service cafeteria.

FACULTY

Our highly qualified faculty and administrative staff understand our holistic view of the individual and are committed to uphold our school's mission, goals and academic standards. They engage numerous work hours in their classrooms, as well as in extracurricular activities with the objective of enabling every student to reach their highest potential. As a college-preparatory institution, we possess that first and most important ingredient for success: a talented and dedicated staff.

STUDENTS

Cupeyville School is comprised of a multicultural, fully bilingual student population. Our student body is well balanced with a fine mix of academically skilled, creative and athletic students. Students are active in Student Council, Honor Societies, Oratory and Forensic organizations, Academic clubs, Community Service and Environmental clubs and Fine and Performing Arts Clubs. Many students compete in one or more of our 25 competitive sports teams. A total of 70 Community Service hours are required for graduation from High School. 100% of Cupeyville School graduates are accepted in an accredited stateside or overseas 4-year Higher Learning Institution, many with full scholarships. Cupeyville School has achieved the prestigious Presidential Scholar, National Merit Scholar, National Hispanic Recognition Scholar and Dr. Adolfo Fortier Awards for its student's superior test scores.
