

RETIRED PHYSICIANS ORGANIZATION

DOCTORS STILL CARING AND SHARING

JOIN US!

Retired Physician Organization (RPO) provides a variety of activities for retired physicians of all specialties. All Retired Physicians are encouraged to participate in an RPO activity of their choice. **There are no dues to participate, but donations are accepted!**

RPO hosts guided tours in a variety of historic museums in the Kansas City area and hosts reserved social events that include lunch or dinner with an occasional speaker. Significant others and guests are welcome.

INVITE US TO SPEAK!

Many of our RPO doctors participate in a Speaker's Bureau that presents health education talks on medical issues to groups of all ages in Missouri/Kansas communities.

RPO has been invited by 50 community organizations to speak to over 1000 individuals annually. **Contact us to invite us to speak at your events!**
