Touchstones 96-041

A Touchstone is a small piece of art glass, made to be held close when you need comfort most. Each one carries your pets cremains and a paw print, captured forever in glass, with a gentle dip you can feel beneath your thumb—an impression as if your beloved pet left their touch behind just for you. Smooth, solid, and warm in the hand, it's designed to rest quietly in your pocket, offering a moment of connection, grounding, and remembrance whenever you reach for it. Available in Lavender, Aqua, or Clear.
