How does a temporary buydown work?

Temporary buydowns reduce your initial mortgage payments by lowering the interest rate for the first few years in exchange for a cash deposit.

Buydowns can be added to many standard loan programs such as Conventional, FHA and VA loans.

Here's how a 3-2-1 buydown would work with a note rate locked at 6.5%

Rates used in buydown scenario illustration are for demonstrative purposes only. Please contact a Guild Loan Officer with any program questions.

Questions? Let's talk.

Four Person Scramble

SPRING CREEK GOLF COURSE- SPRING CREEK, NV

Don Wilkinson, founder of **Elko Tool & Fastener Inc.**, passed away unexpectedly on February 20, 1999. In his honor, we would like you to join us for this annual fund raiser. We have chosen **Friends 4 Life** and **Shop With A Cop** as recipients of the proceeds again this year.

Both these organizations provide a valuable service to our community and all proceeds will remain in the Elko area. So far, we have raised over \$147,000 for charities through this tournament. Please join us in support of these worth-while causes.

Cost of the tournament is \$65 but does not include Spring Creek Golf Course tournament green fees or cart rentals. Special tournament Spring Creek green fee and cart fee is \$ 35.00 per player.

We are also seeking sponsors to help off-set the cost of this tournament. Hole sponsors are available for \$100.00.

Prize donations are also welcomed to keep this event a community success.

Dear Sir or Madam,

I'm contacting you on behalf of the Keaton Schomer Memorial Golf Tournament. Keaton passed away in September of 2021 at the age of 26. In the last 4 years of Keaton's life, he battled severe mental health issues that kept him from enjoying the many passions he once treasured. Keaton was an avid golfer and loved the time he spent on the course with his father and grandfather. We would like to celebrate his life and his love for golf by starting a tournament/foundation in his name.

Our goal is to bring mental health awareness, support, and training to Elko County. Rural Nevada suffers from a lack of aid, knowledge, and resources when responding to mental health crises. We would like to help educate the public and first responders about appropriate responses to those suffering from mental health issues. With your help, we can improve the lives of families, individuals, and loved ones who find themselves in this situation.

Your contributions will go towards helping fund the golf tournament with raffle items, prizes, and other supplies. The money raised and the left-over donation will stay in the foundation to be put back into the community to help our goals of providing training and awareness regarding mental health issues.

This event will be held on August 6th at the Spring Creek Golf Course registration starting at 7:30 am. It will be a 4-person Scramble, with certain holes being sponsored. The tournament will be followed by lunch, a raffle, and prizes. Your donation or participation would greatly be appreciated to help this important cause.

All donations or items can be made to PACE Coalition @ 147 Idaho St Elko, NV in the name of Keaton Schomer Memorial.

Thank you for your support,

The Schomer Family
