SHERMAN DINNER & AUCTION

JULY 30, 2022

COCKTAILS • DINNER • RAFFLES • LIVE AUCTION

ELKONEVADA.COM — CHAMBER@ELKONEVADA.COM — 775-738-7135

Dear Chamber Members...

The Elko Area Chamber is celebrating our annual Sherman Station Dinner & Auction on July 30th. Throughout the evening there will be live and silent auctions and raffle prizes. All the funds raised during the event are used for the restoration and preservation, along with the everyday maintenance, on the Historic Sherman Station.

We are looking for businesses, such as yours, that support our Elko Community through the Chamber; we are looking for raffle and auction items. Your business name will be labeled on the item and announced throughout the event. We would appreciate any item big or small to use as an auction or raffle item.

Another way to support the Sherman Station is to purchase tickets to the event or monetary donations. Ticket prices are \$50.00 each with tables of 10 for \$500 and tables of 8 for \$400. Your ticket includes a BBQ dinner, dessert, entertainment, and an open bar. Cocktails start at 6:00 and dinner is served at 7:00. If you would like to purchase dinner tickets, please feel free to call the Chamber office at 738-7135.

Due to this event and the generosity of attendees, these past years we were able to complete some large projects, including sidewalks, re-chinking of the outbuildings, painting/repairing the trim, sandblasting, as well as oiling and staining all the buildings. These projects have cost around \$50,000. Our next project is repairs on the roof of the outbuildings. Without the support from this community, we would not be able to maintain these historical buildings.

If you are interested in supporting the Sherman Station this year through your monetary donations, raffle/auction items, or attendance at the event, please contact Billie Crapo at ceo@elkonevada.com or 738-7135. We are available to pick up your raffle items or donations.

THE VOICE OF BUSINESS

Employees & The Chamber: The Value

Business owners are all saying the same things right now: "How do I find good employees and how do I keep them?" Recruitment and retention are on the tip of everyone's tongue, and many business leaders are struggling with adding more programs and processes to keep employees engaged, while also being stretched thin because they're short-staffed.

It's a difficult time, and it's not looking like it will get easier anytime soon as we're seeing plenty of 'now hiring' signs dotting our business windows. Here's some good news for you - you're not alone. We're here for you. This is the time when businesses need to lean on the Elko Area Chamber and rely on some of our programming to help you engage your employees.

The latest poll listed the top five things people look for in a new job and they were:

1. Stability
2. Compensation
3. Respect
4. Health Benefits
5. Work-Life Balance

Compensation and health benefits are easy to quantify, and an employer should be able to easily evaluate whether they're competitive or not in their industry. The other three attraction pieces though are more difficult to quantify. How do you quantify stability, respect, and work-life balance in your offerings? Some employers may think they provide this to their teams with a friendly work environment or flexible scheduling, but is it enough?

Here's how the Elko Area Chamber can help. A great way to show your employees you respect them, that you believe in the importance of work-life balance and make them feel like their position in your company is stable is to tell them you want them to represent you at Chamber events and on Chamber committees. Asking your employees to be representatives of your organization in the community shows immediate respect.

Secondly, doing so also gives some stability, because owners wouldn't want employees to be a representative for the company if they weren't in the long-range plans. Finally letting them get involved with projects they'll enjoy, and perhaps even paying them for time they're volunteering, shows that you care about their work-life balance, while also caring about the community.

Listed are a few of the networking and volunteer opportunities for you and your employees:

- Business Before and After Hours
- Beer Fest
- Sherman Dinner and Auction
- Monthly Lunch and Learns
- Ambassador Committee

For more information on programs and events offered at the Chamber, please contact us at 775-738-7135, ceo@elkonevada.com or events@elkonevada.com

**Member Benefit Spotlight:
Chamber/Visitor Center Display**

The Elko Area Chamber offers numerous opportunities to enhance your business visibility through target marketing, event showcases and an improved internet presence. One of the many ways we help our members build their brand awareness is through brochure and rack card distribution.

As a valued member of the Chamber, remember that you can get your business out to the public by displaying your business rack card or brochure at the Chamber/Visitor Center.

The Elko area has something to offer every month of the year. Summer is our busiest season with more than half our annual visitation occurring during June, July, August, and September. This is the perfect time to display event posters, restaurant menus or coupons, hotel brochures, sales flyers, or any information you have about your business. You may want to consider participating in our consignment program in our Gift Shop.

If you would like more information on the Visitor Center or the Gift Shop, please call the Chamber at 775-738-7135 or ceo@elkonevada.com

Rural non-profits struggle in the best of times.

It doesn't have to be that way going forward.

The key to long-term health of non-profits and the vital community projects they support is insuring they have the infrastructure, knowledge and resources needed to be sustainable in the worst of times as well as the best.

At Gavorsky Consulting, we work with rural non-profits, tribal organizations, and local governments to develop, promote, and manage projects with a constant emphasis on self-sustainability at the community level, with over 9 years' experience working with non-profits, tribes, and communities across northeastern Nevada and beyond.
