ELKO BEER FESTIVAL JUNE 18, 2022

The 12th Annual Elko Beer Festival is set for June 18th, starting at 5 PM at the Sherman Station! It's not hard to understand why it is one of our most anticipated events considering we have over 70 beer samples to experience, along with draft trailers, multiple raffle prizes, food, and live music.

Although you might be wondering how you as a member of the Chamber can utilize this benefit to your business's advantage.

Consider participating as either a Pourer or a Sponsor!

What are the benefits of either of these options?

Pouring is a free opportunity; supply your station with your staff and/or volunteers as well as anything that you would like to give-away or dress up your station (swag, table cloths, banner, branded pop-up tent, etc.). We will have everything else for you including beer, bottle openers, hand sanitizer, water, ice - the works!

By being a Sponsor you receive promotional opportunity for your business including your company logo printed on our official Beer Festival Poster as well as your company name on the Chamber's website, every mass email sent about the event, all print and social media coverage, and so much more.

For more information on how you can take advantage of either one of these, call the Chamber at 775-738-7135.

Making Magic

At first glance one might think Cheeky Doodles provides amazing face paint designs with high quality professional products but that's just the beginning. What they really provide is magic. An ordinary human takes a seat in a chair and for a few moments they let go of the world around them. Some colorful paint is added, maybe some glitter. A standard hand held

mirror is taken out. In a single flip the entire world changes. Imagination has become reality. Magic fills the air. In the reflection you see eyes filled with unfiltered joy and smiles that are absolutely electric. They stand and leave.

No longer an ordinary human but one embodied with the magic of imagination, joy and laughter that they will share and spread to others. Cheeky Doodles Facepainting started with a mother's love and has expanded into making magic for anyone willing to take a seat.
