At Sierra Java, they take pride in serving our community the best cup of coffee in town! With over 30 plus years of experience in the coffee industry, they are always up to the challenge of crafting you, your favorite drink. With over 100 flavors and 25 sugar free flavors - hot, iced, or blended - energy drinks and smoothies, it is safe to say they have something for everyone. You can even order a jug of your favorite drink TO GO! They even have something for your furry family member! Sierra Java is a local, family owned and operated, shop where they feel their customers are the reason they exist! Their goal is to create a friendly, cozy, family-oriented environment, where the community can gather with old and new friends alike, to share some of life's greatest moments. They love to support the community by participating in and hosting various events as well as working with local businesses and schools.

Most days, you can stop by and find owners, Ben and Karissa, serving up drinks. You might even meet 1 or all 3 of their children. Their business is a family affair which they have devoted all their time to after Ben was diagnosed with an extremely rare autoimmune lung disease which forced him to stop working in the tire industry and mines in 2020. Karissa's parents owned a drive-thru coffee shop in Washington state; her love for the art was rooted from years of working in her parent's shop. It was always a dream to own her own shop, which eventually came to fruition in 2020 when she purchased Sierra Java.

They feel truly blessed, to support their family, with this opportunity to serve our community. The relationships and friendships that have been created because of Sierra Java, will be treasured for a lifetime. Thank you for shopping and supporting local. Thank you for being a key part in their story and FAMILY.

“Sierra Java, a legacy of liquid gold – Family Owned, Community Dependent”

Sierra Java is open 7 days a week, M-F 5:00am to 6:00pm, Saturday 7:00am to 6:00pm and Sunday 8:00am to 4:00pm. They are closed most major holidays. Come in and enjoy their modernly updated, cozy lobby or grab a drink in their drive through; no matter what you choose, you will be met with a smile, amazing customer service and a drink that is sure to be delicious!

Need a meeting place for your Church group, knitting group, team meeting, baby shower, holiday party or just about anything? Contact the shop for your private group reservation or catered event.

Need something special for your company meeting or gathering? Make Sierra Java part of your event, they can set up on site for you or deliver!

Rural non-profits
struggle in the best
of times.

It doesn't have
to be that way
going forward.

The key to long-term health of non-profits and the vital community projects they support is insuring they have the infrastructure, knowledge and resources needed to be sustainable in the worst of times as well as the best.

At Gavorsky Consulting, we work with rural non-profits, tribal organizations, and local governments to develop, promote, and manage projects with a constant emphasis on self-sustainability at the community level, with over 10 years' experience working with non-profits, tribes, and communities across northeastern Nevada and beyond.
