## indigo Celebrating 25+ years

I can't believe it's been 25 years! I would be lying if I said it's been easy, but one thing for sure, it's been worth it. Today and every day, I am thankful for the experience, the growth, and the countless friendships that have formed. Thank you for your continued business and the opportunity to be a small part of downtown. We love our town and love being involved in our community.

What started as a dream in 1997 has turned into something I never imagined. There have been a few name changes and many product transitions. Hayley's Fine Gifts & Antiques, filled with antiques, teddy bears, and custom floral arrangements, has evolved into Indigo, gifts that inspire.

If you haven't been into Indigo for a while, we know you will be pleasantly surprised by our new and inspiring selection of gifts. Indigo has a wide variety of fair-trade items, including dream catchers, handmade journals, inspirational jewelry, including Sorrelli, a

customer favorite. We have expanded into crystals, and oracle cards and have become known for our essential oil selection and education.

Boxes and boxes of new treasures have been showing up daily, so hurry in for the best selection. Whether shopping for a friend, yourself, or starting holiday shopping, we know you'll love what you find.

As a thank you, we'd like to invite you starting September 1st through September 30th to stop by for a chance to get a FREE gift - Indigo Bucks. We are offering weekly promotions for the entire month!

We are giving away 25 door prizes and gift bags (enter to WIN by stopping in). Follow and Watch Facebook and Instagram for trivia, contests, and opportunities to WIN prizes throughout the month. Cut and Clip 25% off coupons, available in the Elko Area Chamber Newsletter, Everything Elko, on social media, and in your mailbox. \*Excludes d6TERRA, expires 09/30/2022

## Established 1982 - Celebrating 40 Years

Canyon Construction was founded on the commitment to provide the highest quality of workmanship and services, integrity and expertise to its clients. Their relationship with their clients, employees, and vendors will continue to be based upon loyalty and quality with the strongest emphasis on safety, the environment and craftsmanship in the coming years.

Since its inception in 1982, Canyon has been part of the Elko community by providing jobs for hundreds of employees, contributing to numerous non-profit organizations, and successfully completing complex and vastly diverse projects for its clients. The 40-year success of Canyon Construction is due to the depth and breadth of the knowledge and experience of its core management and staff.

Canyon will maintain its commitment and relationship to its employees, its clients and the Elko Community for another 40 years as they continue to grow and expand.

# Chamber Check In

## PRINCESS AND A REDNECK

**Q: How long have you been a member of the Elko Area Chamber?**

**A:** We have been members since 2018.

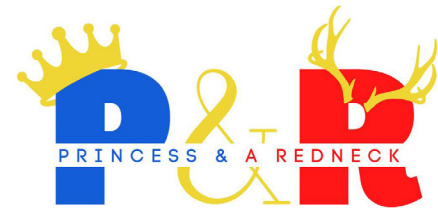

**Q: How has your business benefited from the Chamber Checks program?**

**A:** The Chamber Check program has been great for our business. During the holidays, with family and company gifts, it has allowed for people to purchase items for gifts and also for themselves. It keeps the dollars local which is always a bonus for Elko.

**Q: What do you want people to know most about the benefits of being a member of the Elko Area Chamber?**

**A:** The amount of support from other members is invaluable. Networking is a huge plus with Business Before and After Hours, monthly Lunch and Learns, plus the local events are a blast.

# Risks vs. Rewards:

It's how we make choices. But what if the risks are hidden? That's the problem with using illegal drugs. You don't always know what you're getting.

Meth can be made in many ways from many toxic chemicals. Most is made in secret, uncontrolled labs. Sometimes deadly fentanyl is added without the user's knowledge.

Without knowing what's in them, taking illegal drugs is like blindly diving into shark-infested waters.
