

Founding 100 Members Program

Founding Member enrollment deadline (for example, "available through December 31, 2026, or until all 100 positions are filled"),

Become One of the Founding 100 Members of Vital Bloom Collective Wellness Center

As we open our doors and begin serving the St. Augustine community, we are offering a special opportunity to our first 100 members. The Founding 100 Membership Program was created to thank those who believe in our mission and choose to begin their wellness journey with us from the very beginning.

As a Founding Member, you will receive exclusive benefits that will never be offered again once the first 100 memberships have been filled.
