Week 1: MUSIC & MOVEMENT

We will be learning about different instruments and dancing to the beat of their favorite songs. We will also be playing lots of musical games and activities!

WEEK 2: UNDER THE SEA

Dive into an ocean-themed week filled with marine science, water games, and beachy crafts. We will learn about the importance of marine conservation and how everyone can protect our oceans.

WEEK 3: DINOSAURS

We're stomping back in time to study these ancient reptiles. Children will be digging and excavating dinosaurs bones while building their own models.

WEEK 4: SPORTS

We will be engaging in an active week of sports and friendly challenges. This encourages the children to celebrate diversity, teamwork, and perseverance.

WEEK 5: LOST IN SPACE

We're climbing into our rocketship and taking a trip to outer space to explore different planets while exploring the universe.

WEEK 6: ZOOLOGY

Get up close and personal with all the different animals around the world and their habitats. We'll learn how these fascinating creatures survive and adapt in the wilderness.
