

PEST ASSURANCE

Powered by

Pest Share™

We are Committed

to provide our Residents with high-value professional services and reliable support. Apex Property Management Residents are enrolled in Pest Assurance as a part of the Resident Benefits Package.

This Innovative Program

is a self-directed, on-demand, pest control service that includes the following pests: Bed Bugs, Fleas, Ticks, Weevils, Mites, Cockroaches, Ants, Rats, Mice, Spiders, and others as required.

Coordinate Service

No need to place a work order with Apex. Visit www.pestshare.com to request pest control services. You'll work directly with Pest Share and their assigned service provider to coordinate.

TO NOTE:

*Initial correspondence will be by email - check your Spam folder! Pest Share reserves the right to limit total claims requested by a covered property to (4) service claims within 12 months. Each claim comes with a 30-day warranty from the day of completed services. Additional support is a click away via chat at www.pestshare.com
