

Dear Parish Family

As members of Immaculate Conception, we have been blessed in countless ways, through our worship, our fellowship, and the true presence of Christ among us. Our church has a beautiful image of the Divine Mercy displayed on our window in the Narthex, but it is showing its age. As it is shrinking from the sides and parting in the middle. We would like to take this opportunity to express our gratitude in a lasting and meaningful way, by helping to bring the Divine Mercy window to life again in our church.

We would like to replace with a beautiful stained glass window. The window would be more than glass and color. It will be a radiant sign of God's Mercy shining upon all who enter our parish-an invitation to prayer, forgiveness, and hope. As the sunlight passes through the window, we will be reminded that His Mercy is endless and it would bring a new level of beauty and reverence to our church.

To make this vision a reality, we are inviting each parishioner and family to prayerfully consider making a contribution towards the creation and installation of the Divine Mercy window. We ask that you give from the heart whatever you can. Every gift no matter the amount, will help bring this sacred work of art to life and stand as a lasting legacy of our faith and devotion. Let's come together in faith and generosity to create something that will shine as a constant reminder of God's Mercy for years to come.

Thank you for your continued faith, generosity, and love for our parish.

God's Blessings and Mercy
Jesus I Trust In You

Immaculate Conception Window Project Committee

Imagine entering our church, you gaze upon our Lord on the cross, the ultimate sign of His sacrifice for us. As you leave, we behold the image of Divine Mercy, the radiant reminder that His sacrifice was not in vain as His pierced Heart flow mercy and love for the whole world. We come in before the Cross in repentance, and we go forth renewed by Mercy.

We prayerfully ask our parish families to partner with us to consider a one-time donation of \$1000 toward the Divine Mercy Window Project. As a special expression of gratitude, those who donate \$1000 or more to the Divine Mercy Window, will have their name of a loved one inscribed on a commemorative plaque to be placed near the window. This will serve as a lasting tribute to your loved one, and of your faith and generosity, as a reminder to all who visit of the love that helped bring this sacred image to life.

We thank you for your generosity and love of our parish.
