TRACK

DOGS MUST BE UNDER 10KG & ON LEADS AT ALL TIMES.

Ask our friendly staff for kayak hire.

Our park is privately owned and consists of 22 acres of natural flora and fauna. Our aim is to provide a relaxed and peaceful environment where families can get together for a campfire (weather permitting) and tourists can base themselves to explore The Coorong National Park, Fleurieu Peninsula & Adelaide Hills. We are the closest park to the Murray Mouth (where the River Murray meets the Southern Ocean). We like to think of our park as a relaxed campground with some facilities rather than a tourist park with all the bells and whistles (and the price tag!)
