A soft blend of velvety short-pile fabric and a lace-knit upper refreshes the classic German Army trainer with quiet elegance. Braided laces and textured details highlight artisanal charm, while the lightweight sole keeps every step graceful.

Classic lines, knitted chic.

Oxford shoes and German army trainers carry the strength of their iconic silhouettes, yet reveal a softer sophistication through knitted uppers.

Textures breathe elegance into every line, turning familiar forms into modern statements of style.

It's the quiet fusion of comfort and refinement, where knit becomes the language of chic.
