

# Why a LifeGroup?

## Mission Statement:

“To establish and build up others in deep rooted relationships with Christ, walking in Him, together through Fellowship.”

*“My husband and I love being part of our life group. It offers us a chance to connect with other Christian couples and strengthens our marriage with Jesus at the center. The support we’ve received during challenging times has been invaluable, and our time together has deepened our understanding of God’s Word, inspiring us to live as Christ calls us to.” - Rebekah & Michael*

*“Life groups have been a true blessing in my life because as a new Christian surrounding myself with other individuals that will encourage, teach and pray for me is the most amazing feeling and just what I prayed for! Everyone truly cares and wants to help you on your walk with Lord. My relationship with the Lord wouldn’t be what it is today, if I didn’t get connected to a life group. It makes all the difference, we aren’t supposed to do this alone! - Daniela*

*“I think for me, Young Adults has been a place where I’ve been able to connect with other people in a similar life stage as me who long to know and follow Jesus. Being a Young Adults can be very lonely, sometimes even more so for those of us who chose, in our youth to pursue a life contrary to our peers. The world around us can be so loud, but in community we are able to encourage one another and point each other back to Jesus.” - Sophia*
