## MARCH 10, 2024 4<sup>TH</sup> SUNDAY OF LENT

For everyone who does wicked things hates the light and does not come toward the light, so that his works might not be exposed. But whoever lives the truth comes to the light, so that his works may be clearly seen as done in God. - Jn 3:20-21

#### Cycle A readings for the Elect preparing for Sacrament of Initiation

The deep tradition of the church directs us to use the Year A readings, even in the liturgical years B & C- when we have the Elect preparing for initiation. The Year A readings are read during Lent's third, fourth, and fifth Sundays.

The purpose of the readings during this time is to uncover and heal all that is weak, defective, or sinful in the hearts of the Elect and to bring out, then strengthen all that is upright, strong and good. The goal of these readings is for the Elect as they draw nearer to baptism and we must remember that for the Elect, this will be the only time in their lives that they will hear these particular Gospels as Elect.

Since we, as a community, are blessed to have these Elect (formerly catechumens) coming into the Church this year, and standing in solidarity with them, we use these Cycle A readings regardless of the cycle we are currently in Cycle B for Example this year.
