Professional Services

A. BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF \$1,695

Our charge includes, but is not limited to staff, facilities and vehicles to respond to initial requests for service 24 hours every day, consultation with the survivors, coordinating service plans with cemetery, crematory, and/or other parties involved in the final disposition of the deceased, sheltering of the deceased, procuring death certificates and permits, consultation and assistance with procuring various death benefits, accounting and billing, regulatory compliance, legal and audit fees, postage, printing and supplies, telephones, insurance, salaries and benefits for our staff, various county, state and federal taxes and fees. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains.

B. EMBALMING \$595

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however if you select certain funeral arrangements such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Colorado law does require that the deceased be embalmed or refrigerated if the final disposition is not achieved within 24 hours following death.

Cremation with Integrity

Safe and secure for your peace of mind - Most are unaware no standards and no inspections exist for crematories in Colorado. Consequently, other cremation companies outsource the transfer of the deceased and the cremation to low priced bidders who operate in industrial areas. By choosing Latina Funerals & Cremation, you gain peace of mind with our superior cremation services and the comfort of knowing that your loved one will always be in the compassionate, capable hands of our staff. We offer cremations at our private crematory so your loved one never leaves the shelter of our expert care. Most importantly, our certified, trained professionals handle every step of the cremation process with dignity and respect.

Clean, secure crematory - We are among the few mortuaries to operate our own crematory inside our clean and secure facility.

Individual cremations - Adhering to the highest standards, our experienced professionals follow a rigid 23-Point Pre-Cremation Checklist. Additionally, two staff members participate in every step of the process, assuring that your loved one is cared for appropriately. You can rest assured that we cremate one individual at a time and diligently remove and track all cremated remains.

Identity Assurance - Your peace of mind in knowing your loved one is being properly cared for is important, especially in Colorado, the only state without inspections, licensing, or meaningful oversight. That is why we invested in a digital tracking process that begins the moment your loved one is in the care of our staff. This uniquely designed process not only tracks your loved one, but all personal effects as well, until the final disposition of the cremated remains.

Personal inspections - We are the region's first crematory to encourage each family's personal inspection of our facilities. The Direct Cremation Options include sheltering/refrigeration for up to 4 days (other cremationists charge extra for each day of refrigeration.) We also provide a windowed room that allows you to be present for the start of the cremation process. There is a charge of \$495 to reserve the room and cover the additional time of our staff.

Certified experts - Our staff receives advanced certifications to perform cremations. We strictly adhere to our own Cremation Code of Ethics-your assurance of our commitment to honesty and dignity.

\$1,895

MINIMUM TRANSFER

This discounted package includes Basic Services of Funeral Director and Staff, Transfer to Mortuary from place of death, Embalming, Use of Funeral Coach or van to local point of embarkation (airline or other shipping charges not included) and Utility Vehicle. Other items that may apply and could be added to the billing are a combination shipping container (\$160) or air tray (\$140). If the forwarding arrangements are made directly by the family with a receiving funeral director, eliminating the need for our staff to meet and coordinate any details with the family, this discounted package will be further reduced by \$175.

Receiving Deceased from Another Mortuary

\$1,755

MINIMUM DELIVERY TO CEMETERY

This discounted package includes Basic Services of Funeral Director and Staff (discounted to reflect already-secured death certificate/disposition permit and reduced involvement of other personnel), Transfer to Mortuary from airport or other point in the metro area, and the Use of Funeral Coach or van to a local cemetery. This package presumes no ceremony and no other use of the funeral home and that we may deliver to the cemetery at the time of our choosing. Add to the fee of \$1,755 any additional services selected, such as graveside ceremony, Other Preparation (dressing/casketing), Viewing or Visitation and Funeral Service at Chapel or Church. If the forwarding arrangements to Denver are made directly by the family with a forwarding director, eliminating the need for our staff to meet and coordinate any details with the family, this discounted package will be further reduced by \$175.

Immediate Burial

\$2,650 to \$5,745

Immediate burial is the process for burial of the un-embalmed body as soon as possible. Difficulties in filing a death certificate and securing the necessary legal permit immediately and/or a cemetery’s inability to open a grave on short notice may require the body be embalmed (\$595) or refrigerated (\$95/day) to comply with State of Colorado health regulations requiring a sanitary disposition of the deceased within 24 hours (CRS 12-54-11). We include 2 days of refrigeration. The casket must stay closed at all times in order to comply with company policy and state law that the deceased is to be in a refrigerated state.

The Immediate Burial options presume we deliver the deceased to the cemetery for burial at the time of our choosing and that there is no viewing or commemorative gathering involved. A commemorative service, which increases staff time for planning and assistance, can be added; see add items G (Graveside Ceremony \$525) or F (Memorial Ceremony \$525). Adding other service options, such as commemorative services at both the Chapel or Church and Graveside, requires full, non-discounted itemization. This discounted package includes Basic Services of Funeral Director and Staff, Transfer to Mortuary from place of death, Other Preparation (dressing/casketing), Use of Funeral Coach to local cemetery and Utility Vehicle.
