GUN VIOLENCE PREVENTION WORKSHOPS

Interested in bringing the Coalition's educational trainings to your community?

We work with:

- ✓ Youth
- ✓ Professionals in schools and youth-serving settings
- ✓ Medical and mental health providers
- ✓ Community members/organizations, such as faith groups, senior living centers, and more

Topics include:

- ✓ An overview of gun violence in MA
- ✓ GVP through a public health lens
- ✓ Intersections of gun violence: domestic violence, suicide, community violence, mass shootings, and more
