

**WE TAKE CARE OF YOUR ROOF SO THAT
YOUR ROOF CAN TAKE CARE OF YOU!**

THE ROOF NURSE WARRANTY

This document warrants that should a defect in workmanship, related to the work completed by **Roof Nurse**, occur within 7 years of the project for full roof replacements and 2 years for non-roofing projects, **Roof Nurse** will complete repairs within the original project's scope of work at no charge to the customer.

This warranty does not cover normal wear and tear, hail damage, wind damage, sun damage, intentional or accidental damage by any person, animal or acts of God that may or may not merit an insurance claim.

This warranty only applies to portions of the project in which **Roof Nurse** fully replaced any existing products, and does not cover repairs or service done to another contractor's work. Defects in the building materials used to complete work do not fall under the scope of this workmanship warranty; any building products installed will instead be covered by the product's original manufacturer warranty.

This warranty becomes null and void should another contractor or entity perform work on the roof or applies/attaches any object to the roof that requires roof penetration to secure any item to the roof after roof installation by **Roof Nurse** (such as satellite dish, solar panels, etc.).

Thank you again for choosing **Roof Nurse** to complete work on your property. We trust you had a great customer experience!
