LEGACY VILLAGE OF MURRELLS INLET

NEWSLETTER | DECEMBER 2025

A MESSAGE FROM YOUR EXECUTIVE DIRECTOR

Dear Residents, Families, and Friends,
I am truly excited to have joined the Legacy Village family. In just a short time, you've made me feel right at home—surrounded by caring team members and a spirit of togetherness that is rare to find. It already feels less like a workplace, and more like joining a family I want to support in every way I can.

I bring with me over 30 years of experience in assisted living, and I am deeply passionate about serving seniors. Many have said this field feels more like a calling than a job for me, and I couldn't agree more. My journey began as a recreation assistant while I earned my master's degree in Gerontology. With dedication and a genuine love for this profession, I worked my way up, always with the goal of not just leading, but truly connecting—both as an executive director and as a member of a team that puts residents first.

What brings me joy every day is building real relationships: getting to know each resident as an individual, partnering with our team to bring laughter and meaning to every day, and keeping an open door for both residents and their families. Communication and trust are so important, and I look forward to making sure your needs are always met, and your voices always heard.

Outside of work, I am blessed to share life with my husband James—we celebrated 27 wonderful years together this year. Our children, Jillian and Patrick, have made us proud, and after raising our family on Long Island, we moved to Murrells Inlet two years ago for a new chapter. James and I love spending time together on our boat or with friends, and every year on our anniversary, we set out to explore—a new state one year, a new country the next. Our last adventure was a beautiful boat trip up the Rhine this fall.

As Christmas and the holiday season draw near, I'm reminded of the importance of community, gratitude, and the joy found in simple gatherings. I look forward to sharing many special moments with you all and making this season—and every season—a time of warmth, laughter, and connection.

Please stop by and say hello—I can't wait to meet each of you and to work together to make Legacy Village a true home for all.

Wishing you and your family a joyful and blessed holiday season,

Larissa Kostal

Celebrating Ida Brecka: 102 Years of Love & Liveliness

At 102 years old, Ida stands as a shining light among our Legacy family. Since joining us two years ago, her energy and enthusiasm have been infectious. You'll often find her in the

activity room painting birdhouses for the tree outside her apartment, or enjoying the sunshine outdoors. Ida's smile and cheerful spirit brighten everyone's day.

Born on August 7, 1923, to Lewis and Ida Toke in Avenel, New Jersey, Ida's family immigrated from Hungary through Ellis Island. When she was young, they moved to Woodbridge, New Jersey, where her father opened the Woodbridge Fur Shop. As the youngest of three siblings—with older brothers Lois and Alex—Ida helped her father in the fur business, often delivering fur coats to customers.

At about 16 or 17, Ida met Frank Brecka while horseback riding, and they quickly felt destined for each other. They married when Ida was just

18 and soon welcomed their first son, Frank. Shortly after, Frank was drafted into the war. While he served overseas, Ida and baby Frank lived with her parents. When Frank returned, they had three more sons: Wayne, followed four years later by Dennis, and seven years later came the caboose, Kurtis.

Ida's four sons are a great source of pride and joy, and she lovingly talks about them often. As a testament to what a wonderful mother she has been, her boys visit her every day to spend time with her. Ida and Frank raised their family in Woodbridge, and some of Ida's favorite memories are summers spent at their beach house on the Jersey Shore.

Once her sons started high school, Ida attended Katherine Gibbs Secretarial School and embarked on a career as a secretary, working for Siemens, Hess Oil, and Ronson. Frank continued working in the family fur business until both eventually retired and purchased a home on the beach.

In 2018, Ida and her son Dennis moved to South Carolina for warmer weather and sunshine.

Since moving into Legacy Village of Murrells Inlet, Ida has embraced this community as home, and we're truly fortunate to have her as part of our family.

BEHIND THE SCENES OF SANTA'S REINDEER MAGIC

Did you know scientists have spent years trying to figure out just exactly how Santa's reindeer fly? Research suggests the secret might be the tiny propulsion jets in their hooves powered by a magical blend of holiday cheer, sugar plum fairy dust and a special snack left out by families everywhere.

To make sure Dasher, Dancer and the gang stay energized all night, sprinkle this magic reindeer food outside your home on Christmas Eve! It's both their fuel and a reminder that kindness and belief make the magic real.

MAGIC REINDEER FOOD

Mix together:

- 1 cup oats
- ¼ cup birdseed
- A sprinkle of glitter or colored sugar
